

CIZIK SCHOOL OF NURSING AT UTHEALTH HOUSTON

STRATEGIC PLAN, 2021-2026

Mission Statement:

Improve the health and well-being of our community by preparing tomorrow's leaders to drive innovation and excellence in nursing education, practice, and scientific discovery.

Vision:

To lead the advancement of health and high-quality health care for all.

Values:

- Integrity
- Innovation
- Collaboration
- Respect
- Excellence

Strategic Goals:

1. Foster a supportive learning and working environment
2. Prepare nurses to become local, state, national, and international leaders in nursing education, practice, and scientific discovery
3. Cultivate creativity, innovation, leadership, and contributions in nursing education, practice, and scientific discovery
4. Promote collaboration within the Cizik School of Nursing, across UTHealth Houston schools, among our practice partners, and with our regional and national community
5. Strengthen and maintain a supportive infrastructure to promote excellence in nursing education, practice, and scientific discovery
