Policy Title: Degree Plan

---

All students must have a signed degree plan on file that outlines their program of studies. The signed degree plan is the contract between the student and school for the requirements to complete the degree.

Upon admission to the program, the DNP student and the faculty advisor complete a degree plan. The student, faculty advisor, and Director of Student Affairs sign the completed plan. The degree plan is filed in the Student Affairs Office. Once the degree plan has all required signatures, the student, faculty mentor, and DNP Coordinator receive copies.

The student is expected to follow the degree plan. Any changes to the plan must be first discussed with the advisor who will then submit a revised signed plan to the DNP Office and the Student Affairs Office. Any revised plan will be filed in the Student Affairs Office.
