Policy Title: Inactive Status

A student in good standing who desires not to enroll during one semester may do so for one (1) semester. The student must complete an “Inactive Form” indicating that she/he wishes inactive status for one semester. The Inactive Form also requests information about when the student plans to re-enroll in the program.

If the student has not enrolled for more than one semester, she/he must petition the DNP Council for reinstatement into the DNP program. This request is made in writing to the DNP Coordinator who forwards it to the DNP Council for action. A majority vote of the DNP Council is required for reinstatement into the DNP Program. If approved, the DNP Coordinator notifies the Student Affairs Office.

The Inactive Form is available in the Student Affairs Office and on the School website.
