Policy Title: BSN-DNP Nurse Anesthesia Program – Readmission

Students who withdrew from the BSN-DNP Nurse Anesthesia program and wish to re-enroll must apply in the usual manner during the next regular admission cycle.

Additionally, the applicant must submit a letter to the admissions committee explaining why she/he was unsuccessful or withdrew from the program and why she/he believes that she/he can be successful if readmitted.

Even though students may have successfully completed courses when they were enrolled previously, they may be required to repeat or audit those same courses if allowed to return.
