Policy Title: Advisement

Upon student enrollment to the Doctor of Nursing Practice (DNP) Program, the DNP office shall assign each DNP student a faculty advisor who will advise the student throughout the DNP program.

If a student seeks to work with a different faculty advisor, or a faculty advisor seeks to no longer serve as the faculty advisor to a student, the student or faculty advisor must address the request for change to the DNP Director, who is authorized to make a faculty advisor-advisee change. The DNP Director shall report any change in faculty advisor to the DNP office and Office of Student Affairs.
