

Setting up Email on your Mobile Device (iOS or Android Device)

- Before you can set up your mobile device with university email you will first need complete the Mobile Device Acknowledgment form by using this link:

<https://apps.uth.edu/MobileDevicePolicyAcknowledgement/>

- Activations for Airwatch (Intelligent Hub) on mobile devices will be enabled within 24 hours after submission of the Mobile Device Acknowledgment Form (MDAF) during the week day or up to 48 hours if it is a weekend or university holiday.

- Once your account has been set up you will receive an email from the IT group, then you can proceed to the steps for setting up your device.

For an **Apple iOS device** (iPad or iPhone) follow the link below to setup your device.

<https://inside.uth.edu/dcos/services/mobile-device-management/mobile-device-registration/ios-device.htm>

For an **Android system** follow the link below to setup your device.

<https://inside.uth.edu/dcos/services/mobile-device-management/mobile-device-registration/android-device.htm>

For further information please see the website for Mobile Device Information:
