

The Joan and Stanford Alexander Fellowship in Intellectual and Developmental Disabilities

About the Fellowship

*Third-semester (S1) Pacesetter BSN students are invited to apply for a one-semester, two credit hour fellowship in their J2 semester. Thanks to support from **Joan and Stanford Alexander**, positions will be awarded \$2,500 each in the Fall and Spring semesters.*

- Ninety (90) hours of clinical and enrichment activities fulfilled as independent study.
- Fellows rotate through various primary, acute and community care sites while working with interdisciplinary professionals.
- Fellows will participate in multidisciplinary rounds and weekly conference activities.
- Fellows will present clinical case studies during debriefing conferences.

Fellowship recipients will be able to demonstrate delivery of competent care for People with Disabilities – across the life span, whether the disability is static or progressive.

Eligibility

- Full-time student
- 3.5 GPA
- J2 in good standing at time of application
- No withdrawals
- Participation in an interview
