EDUCATION

Degree	Institution	Date
Ph.D. - Nursing	The University of Texas Health Science Center at Houston, Texas	2011
M.S.N. - Clinical Research Management (with honor)	The University of Texas Health Science Center at Houston, Texas	2005
B.S.N. - Nursing	Kent State University Kent, Ohio	1996

Other Education	Certifying Body	Inclusive Date
Segal Mindfulness-Based Cognitive Therapy: A 5-Day Professional Training for the Prevention of Depression	The Omega Institute for Holistic Studies, Inc., Rhinebeck, NY	2016
American Heart Association and American Stroke Association Ten-Day Seminar on the Epidemiology and Prevention of Cardiovascular Disease Fellowship	American Heart Association Council on Epidemiology and Prevention, the Centers for Disease Control and Prevention and the National Association of Chronic Disease Directors, Tahoe City, CA	2014
National Institute of Nursing Research Big Data in Symptoms Research Summer Boot Camp	The Foundation for Advanced Education in the Sciences, Inc. at the National Institutes of Health Bethesda, Maryland	2014
National Institute of Nursing Research Fatigue and Sleep Disorder Methodologies Summer Boot Camp	The Foundation for Advanced Education in the Sciences, Inc. at the National Institutes of Health Bethesda, Maryland	2013
NIH Fellowship funded by National Institute of Nursing Research for the Summer Genetics Institute (8 credits)	The Foundation for Advanced Education in the Sciences, Inc. at the National Institutes of Health	2011

Bethesda, Maryland

LICENSURE & CERTIFICATION

State	Active or Inactive	Inclusive Dates
Registered Nurse Board of Nurse Examiners for the State of Texas	Active	1997-present
Registered Nurse Board of Nurse Examiners for the State of Ohio	Inactive	1996-2015
Registered Nurse Board of Nurse Examiners for the State of California	Inactive	1997-1998

PROFESSIONAL EXPERIENCE (ACADEMIC)

Institution	Position Title	Inclusive Dates
St. Joseph’s Medical Center Stockton, California	Instructor Basic Life Support	1997-1998
Memorial Hermann Hospital Houston, Texas	Instructor Family Focus Education	2001-2002
The University of Texas Health Science Center at Houston Cizik School of Nursing Houston, Texas	Assistant Professor Associate Professor/ Nancy B. Willerson Distinguished Professor	8/2011-present 9/2017-present
The University of Texas Health Science Center at Houston Center for Clinical and Translational Sciences Biobank Core Houston, Texas	Program Manager Director	9/2011-10/2015; 11/2015-2019
The University of Texas System Health Biobank (UTSHB) Austin, Texas	Project Lead/PI and Sponsor	3/2017-present
The University of Texas Health Science Center at Houston Center for Precision Health Houston, Texas	Adjunct Assistant Professor Adjunct Associate Professor	5/2017-present 9/2017-present

PROFESSIONAL EXPERIENCE (CLINICAL)

Institution	Position Title	Inclusive Dates
Manor Care Health Services Barberton, Ohio	Registered Nurse Manager	1996-1997
Care Calls Home Health Stockton, California	Registered Nurse	1997-1998
St. Joseph's Medical Center Stockton, California	Registered Nurse Staff Nurse/Preceptor	1997-1998
Memorial Hermann Hospital Houston, Texas	Registered Nurse Staff Nurse/Preceptor	1998-2002; 2006-2010
The University of Texas Health Science Center at Houston Texas Medical Center Genetics Project (TexGen) Houston, Texas	Senior Research Nurse Program Manager	2001-8/2011; 9/2011-present

HONORS & AWARDS

Award	Awarding Organization	Date
Women's Business Support Network Scholarship	WBSN Foundation	2002
Dean Ornish Endowed Scholarship	The University of Texas Health Science Center at Houston, Texas	2002- 2003
Good Samaritan Scholarship	Good Samaritan Foundation	2002- 2004
Inductee	Sigma Theta Tau International National Nursing Honor Society	2005
Alumni Association Scholarship	The University of Texas Health Science Center at Houston, Texas	2005
Associated Nursing Alumni Scholarship	St. Thomas University	2006 & 2009
James T. and Nancy B. Willerson Endowed Scholarship	The University of Texas Health Science Center at	2009 & 2010

Houston, Texas

PARTNERS Travel Award	The University of Texas Health Science Center at Houston, Texas	2010
Good Samaritan Geriatric Nursing Scholarship	The University of Texas Health Science Center at Houston, Texas	2010
Professional Nurse Traineeship	The University of Texas Health Science Center at Houston, Texas	2010 & 2011
Doctoral Student Poster Award First Place	Southern Nursing Research Society	2012
Award for Research Excellence	Sigma Theta Tau International Nursing Honor Society Zeta Pi Chapter	2014
Excellence in Nursing Bronze Medalist	Good Samaritan Foundation	2015
Fellow	American Academy of Nursing	2018-present
Founders' Award for Excellence in Genomic Nursing Research	International Society of Nurses in Genetics	2020

GRANTS

Research Grants (*denotes external peer reviewed)

Plasma Serotonin and Depression in Acute Coronary Syndrome (Parent Grant “Interactions among Depressive Symptoms and Genetic Influences on Cardiac Outcomes” R01NR010265-01A1, PI, L. Frazier), Sigma Theta Tau International, Zeta Pi Chapter, Principal Investigator, \$2,000, 2010-2011.

*Interactions among Depressive Symptoms and Genetic Influences on Cardiac Outcomes (R01NR010265-01A1), National Institute of Nursing Research, Co-Investigator Service Dates 2011-2014, (PI, L. Frazier), \$2,458,785, 2007-2014.

Exploring the Relationship between a Novel Genetic Marker and Depressive Symptoms on Cardiac Outcomes among patients with Acute Coronary Syndrome, The University of Texas Health Science Center at Houston School of Nursing PARTNERS Nursing Education & Research Program, Co-Investigator, (PI, E. Yu), \$13,940, 2012-2014.

Association of Serotonin Transporter Gene Polymorphisms with Depressive Symptoms and Future Cardiac Events in Patients with Acute Coronary Syndrome, The University of Texas Health Science Center at Houston School of Nursing PARTNERS Nursing Education & Research Program, Principal Investigator, \$14,487, 2012-2014.

Assessing the Public's Perspectives, Attitudes, and Beliefs Related to Biobanking for Research. The University of Texas Health Science Center at Houston School of Nursing PARTNERS Nursing Education & Research Program, Principal Investigator, \$19,438, 2016-2018.

Inflammatory Mediators in Depression and Cardiovascular Diseases among Older Adults: Assessing Interleukin (IL)-18 and IL-18 Binding Protein. Speros Martel Endowment for the Aging and The University of Texas Health Science Center at Houston, School of Nursing Center on Aging, Principal Investigator, \$4,900, 2016-2018.

Unraveling Mechanistic Mediators of Persisting Post Thoracotomy Pain: A Collaborative Neuroimmune Imaging Approach. The University of Texas Health Science Center at Houston Presidential Collaborative Research Award, Co-Principal Investigator, \$100,000, 2017-2018.

*Meditation for post stroke Depression (MEND). The University of Texas Health Science Center at Houston School of Nursing PARTNERS Nursing Education & Research Program, Principal Investigator, \$100,000, 2017-2019.

*Stroke Survivor and Informal Caregiver Engagement to Address Mental Health in Stroke Recovery. American Nurses Foundation, Principal Investigator, \$5,000, 2018-2019.

*Optimizing Neurofeedback to Treat Chemotherapy Induced Peripheral Neuropathy: A Multi-Center Approach. Rising Tide, Co-Investigator, \$407,105, 2019-2020.

**All of Us* Research Program. National Institutes of Health: American Association of Colleges of Nursing (Federal Award Identification Number, OT2OD028404, CFDA Number 93.368) Mini-grant, Principal Investigator, \$10,000, 2020.

* Facial and Body Motion Technology to Detect Psychosocial Distress in Stroke Survivors and Informal Caregivers Living at Home. IoT and Aging in Place Joint Seed Grant Program, Co-Principal Investigator, \$30,000, 2020-2021.

Other Funded Projects Including Contracts for Service

Genetics and Heart Disease. Texas Medical Center Genetics Project (TexGen), Program Manager Service Dates 2011-present, (PI, E. Boerwinkle), \$1,300,000, 1999-present.

Premature Myocardial Infarction. Texas Medical Center Genetics (TexGen), Program Manager Service Dates 2011-present, (PI, E. Boerwinkle), \$310,000, 1999-present.

*The University of Texas Health Science Center at Houston Center for Clinical and Translational Sciences (UL1 TR000371), National Center for Advancing Translational Sciences, National Institutes of Health, Biobank

Core Program Manager Service Dates 9/2011-10/2015, Director Service Dates 11/2015- 08/2019, (PI, D. McPherson), \$19,921,604, 2012-2019.

Genetic Analysis of Racial Difference: Taiwan and US Agency for International Cooperation Program. Taiwan Department of Education, Consultant Service Dates 8/2015-7/2016, (PI, M. Chung), \$22,000, 2015-2016.

The University of Texas System Proteome Database for Neuropsychiatric Disorders, The University of Texas System, Project Sponsor and Co-PI Service Dates 2017-present, \$185,250, 2017-2018.

The University of Texas System Health Biobank (UTSHB), The University of Texas System, Project Lead and Sponsor Service Dates 2017-present, \$3,482,104, 2017-2019.

Genetic Variations, Stress and Functional Outcomes after Stroke Rehabilitation (STRONG), UC Irvine (HUB), Co-Investigator Service Dates 2019-2020, (PI [local site UTHHealth Cizik School of Nursing], S. Alderman), 2019-2020.

PRESENTATIONS (selected listings) (*denotes mentee presentation)

International

Sanner, J. (October 2011). *A model for research- bio banking*. The 24th Annual International Society of Nursing in Genetics, Montreal, Canada, (podium presenter). (Invited).

Yu, E., **Sanner, J.**, & Frazier, L. (August 2016). *The development of a Taiwan and US agency for international cooperation program for genetic analysis of racial differences*. The Annual International Society of Nursing in Genetics, Dublin, Ireland, (Co-author).

Sanner, J., Hall, M., Engebretson, J., & Hoover, T. (August 2016). *Participant understanding of biobanking genetic material for translational research: Implications for obtaining informed consent*. The Annual International Society of Nursing in Genetics, Dublin, Ireland, (Poster and podium poster blitz presenter).

National

Sanner, J. (October 2005). *Effects of selected demographic variables on participation in genetic research*. The International Society of Nurses in Genetics Conference, Salt Lake City, Utah, (Poster presenter).

Sanner, J., Liu, F., & Frazier, L. (November 2010). *Gender differences in self-reported depressive symptoms in coronary syndrome patients*. The American Heart Association Scientific Sessions, Chicago, Illinois, (Podium presenter).

Williams, P. H., Nemeth, L., **Sanner, J.,** & Frazier, L. (September 2012). *Content analysis of patient refusals to contribute samples to genomic research biobank*. The 2012 State of the Science Congress in Nursing Research Annual Meeting, Washington, D.C., (Co-author).

Sanner, J. Yu, E., Udtha, M., & Frazier, L. (October 2012). *Association of serotonin transporter gene polymorphisms with depressive symptoms and future cardiac events in patients with acute coronary syndrome*. The International Society of Nurses in Genetics Conference, Philadelphia, Pennsylvania, (Podium presenter).

Sanner, J. Yu, E., & Udtha, M. (October 2012). *A nursing approach to genetic biobanking in clinical research*. The International Association of Clinical Research Nurses conference, Houston, Texas, (Symposium podium presenter).

Sanner, J., Yu, E., Frazier, L., Udtha, M., & Cron, S. (October 2013). *Genetic predictors for depressive symptoms and future cardiac events in patients with acute coronary syndrome*. The International Society of Nurses in Genetics Conference, Bethesda, Maryland, (Podium presenter).

Yu, E., **Sanner, J.,** Udtha, M., Cron, S., & Frazier L., (October 2013). *Exploring the relationship between vWF polymorphisms and depressive symptoms on cardiac outcomes among patients with acute coronary syndrome*. The International Society of Nurses in Genetics Conference, Bethesda, Maryland, (Co-author).

Frazier, L., **Sanner, J.,** Yu, E., Morrison A., Moeller, G., & Boerwinkle, E. (November 2013). *Interactions among depressive symptoms and genetic influences on cardiac outcomes*. The American Society of Human Genetics Conference, Boston, Massachusetts, (Co-author).

Yamine L, **Sanner JE,** Padhye NS, Burg MM, & Frazier L. (March 2015). *The interaction of depressive symptoms and endothelin-1 predicts poor long-term prognosis in younger patients with acute coronary syndrome*. The American Psychosomatic Society Annual Meeting, Savannah, Georgia, (Co-author).

Sanner, J. Yu, E., & Frazier, L. (November 2015). *Genetic predictors for changes in sleeping patterns, inflammation, and cardiac events*. The International Society of Nurses in Genetics Conference, Pittsburgh, Pennsylvania, (Podium presenter).

Yu, E., Chiang, Y., & **Sanner, J.** (November 2015). *Genetic knowledge: implications for advanced practice nursing*. The International Society of Nurses in Genetics Conference, Pittsburgh, Pennsylvania, (Poster presenter).

Hall, M.A., Aguirre, M., Applegate, R.J., Hong, Y.F., Guerrero, S.C., Bernstam, E.V., Frazier, L.Q., & **Sanner, J.E.** (September 2016). *Sample Location and Enhanced Distribution (SLED): An informatics for integrating*

biology and the bedside (i2b2)-based system for biorepository data management. The 2nd International Conference & Exhibition on Tissue Preservation and Bio-banking, Philadelphia, Pennsylvania (Co-author).

Sanner, J., Baker-Wimberly, A. Engebretson, J. (October 2018). *Building public connections to biobanking for genetic research.* The Annual International Society of Nursing in Genetics Congress, Orlando, Florida, (Poster and podium blitz presenter and moderator).

*Love, M., Wood, G., Wardell, D., & **Beauchamp, J.E.S.** (March 2020). *Predictors of resilience among CVD patients.* American Heart Association, Epidemiology, Prevention, Lifestyle & Cardiometabolic Health (EPI), Lifestyle 2020 Scientific Sessions, Phoenix, Arizona (poster) (Co-author).

*Christy, L., **Beauchamp, J.E.S.**, Branson, S. M., Wood, G., & McEwen, M. (May 2020). *Clinical utility of early warming scores: a systematic review.* The American Nursing Informatics Association (ANIA), 2020 Conference, Chicago, Illinois (poster) (Doctoral Student Committee Member and co-author).

*Ancer Leal, A., Castro, A., Kadiyala, A., Casamendi Montiel, T., **Beauchamp, J.E.S.**, Sharrief, A., & Denny, C. (August 2020). *Video-based stroke education: Stroke messaging for Spanish-speakers.* 4th Annual International Neuroscience Nursing Research Symposium (INNRS), 2020 Virtual Conference, (poster) (Baccalaureate Honor Student Faculty Mentor and co-author).

*Deaton, M. & **Beauchamp, J.E.S.** (August 2020). *A biological model of ischemic stroke in Mexican Americans.* 4th Annual International Neuroscience Nursing Research Symposium (INNRS), 2020 Virtual Conference, (poster) (Doctoral Student Faculty Mentor and co-author).

Beauchamp, J.E.S. (August 2020). *Developing a Virtual Stroke Community to Promote Psychosocial Health among Stroke Survivors and Informal Caregivers.* 4th Annual International Neuroscience Nursing Research Symposium (INNRS), 2020 Virtual Conference, (Invited Podium Presenter).

Ancer Leal, A., Castro, A., Kadiyala, A., Casamendi Montiel, T., **Beauchamp, J.**, Sharrief, A., Denny, C. (August 2020). *Video-based Stroke Education: Stroke Messaging for Spanish-speakers.* Virtual 4th Annual International Neuroscience Nursing Research Symposium (INNRS), (Mentor/Advisor and co-author). First place for best poster.

Regional/State

Sanner, J., Frazier, L., Udtha, M., Liu, F., & Yu, E. (March 2011). *High self-reported symptoms of depression among women during hospitalization for acute coronary syndrome.* The Center for Health Promotion and Disease Prevention Research in Underserved Populations, Austin, Texas, (Poster presenter).

Sanner, J., Frazier, L., & Udtha, M. (February 2012). *The role of platelet serotonin and depression in the acute coronary syndrome population.* The Southern Nursing Research Society, New Orleans, Louisiana, (Poster discussion presenter).

Yu, E., **Sanner, J.**, Udtha, M., Liu, F., & Frazier, L. (February 2012). *Comparing the depression screening scores between admission and 2 weeks post discharge among patients admitted for acute coronary syndrome.* Presented by Yu at the Southern Nursing Research Society, New Orleans, Louisiana, (Co-author).

Sanner, J., Yu, E., Udtha, M., Padhye, N., & Frazier, L. (February 2013). *Association of serotonin transporter gene polymorphisms with depressive symptoms and adverse cardiac events in patients with acute coronary syndrome*. The Southern Nursing Research Society, Little Rock, Arkansas, (Poster discussion presenter).

Yu, E., **Sanner, J.,** Udtha, M., Padhye, N., & Frazier, L. (February 2013). *Association of self-report depression history with depression scores during hospitalization for acute coronary syndrome and cardiac outcomes*. The Southern Nursing Research Society, Little Rock, Arkansas, (Poster discussion presenter).

Sanner, J. (February 2013). *The challenges and pitfalls of platelet serotonin laboratory processing*. The Southern Nursing Research Society, Little Rock, Arkansas, (Podium Presenter). (Invited).

Sanner, J., Udtha, M., Cron, S., & Frazier, L. (February 2014). *Self-reported quality of sleep and life in a community sample of men and women after hospitalization for acute coronary syndrome*. The Southern Nursing Research Society, San Antonio, Texas, (Podium presenter).

Yu, E., **Sanner, J.,** Morrison, A., & Frazier, L. (February 2014). *The association between selected inflammatory cytokines and cardiac outcomes among acute coronary syndrome patients with prior untreated depressive symptoms*. The Southern Nursing Research Society, San Antonio, Texas, (Co-author).

Frazier, L., **Sanner, J.,** Morrison, A., Moeller, G., & Boerwinkle, E. (February 2014). *Interactions between inflammatory protein gene polymorphisms and depressive symptoms in patients hospitalized for acute coronary syndrome*. The Southern Nursing Research Society, San Antonio, Texas, (Co-author).

Sanner, J. (April 2016). *Genomics care: Preparing nurses one step closer*. The University of Texas Rio Grande Valley Pi Omicron Chapter Sigma Theta Tau International Honor Society Annual Research Conference, Rio Grande Valley, Texas, (Keynote podium presenter). (Invited).

Rando, J., Baker-Wimberly, A., & **Sanner, J.** (August 2017). *The University of Texas System Health Biobank Consortium*. The University of Texas Rio Grande Valley Inaugural Research Symposium, Rio Grande Valley, Texas, (Poster presenter).

*Ancer Leal, A., Baltazar, N., Casameni Montiel, T., Cron, S.G., Hinojosa, E., Okpala, M.N., Savitz, S., Sharrief, S., & **Beauchamp, J.** (April 2019). *Identifying and understanding factors associated with post-stroke anxiety*. 2019 Texas Undergraduate Research Day at the Capitol. Transforming Texas through Undergraduate Research, Austin, Texas, (BSN Honor Student Mentor/Advisor and poster co-author).

Beauchamp, J.E.S. (August 2019). *Stroke survivor and informal caregiver engagement to address mental health in stroke recovery*. 2019 International Neuroscience Nursing Research Symposium, Austin, Texas, (Podium presenter). (Invited).

Local

Yu, E., **Sanner, J.,** Udtha, M., Liu, F., & Frazier, L. (October 2011). *The impact of timing on depression screening in patients hospitalized for acute coronary syndrome*. The Clinical Innovation and Research Institute, Houston, Texas, (Poster presenter).

Flores, R., Udtha, M., **Sanner, J.**, & Caldwell, J. (April 2012). *Feasibility of room temperature storage of blood DNA for molecular biological applications*. The University of Texas Health Science Center at Houston, Center for Nursing Research, School of Nursing Research Day, Houston, Texas (Co-author).

Sanner, J., Newman, M., Wilkerson, C., & Yu, E. (April 2012). *Sleep disturbance and depressive symptoms in women with coronary artery disease: a review of the state of the science*. The University of Texas Health Science Center at Houston, Center for Nursing Research, School of Nursing Research Day, Houston, Texas, (Poster presenter).

Yu, E. & **Sanner, J.** (June 2012). *How translational research is affecting the consent process for biobanks*. The University of Texas Health Science Center at Houston, School of Nursing for the Association of Clinical Research Nurses, Houston, Texas, (Co-author).

Sanner, J. (February 2013). *Association of serotonin transporter gene polymorphisms with depressive symptoms and future cardiac events in patients with acute coronary syndrome*. The University of Texas Health Science Center at Houston, Center for Nursing Research, School of Nursing Research Day, Houston, Texas, (Podium presenter).

*Gonzalez, S., Schultz, K., & **Sanner, J.** (April 2013). *A sad heart: Depression screening in cardiac inpatients a review of the state of the science*. The University of Texas Health Science Center at Houston, Center for Nursing Research, School of Nursing Research Day, Houston, Texas, (BSN Honor Student Mentor/Advisor and poster co-author).

*Crawford, S., Schultz, K., & D'Amour Solomon, I. (April 2013). *Genetic research: Implications for nursing practice*. The University of Texas Health Science Center at Houston, Center for Nursing Research, School of Nursing Research Day, Houston, Texas, (BSN Honor Student Mentor/Advisor).
First Place People's Choice Podium Presenter Award Receipt.

*Nguyen, T., Udtha, M., Cron, S., Frazier, L., & **Sanner, J.** (April 2014). *Self-reported quality of sleep and life in a community sample of men and women after hospitalization for acute coronary syndrome*. The University of Texas Health Science Center at Houston, Center for Nursing Research, School of Nursing Research Day, Houston, Texas (BSN Honor Student Mentor/Advisor and poster co-author).

Udtha, M., Fang, K., Henry, D., Orr, K., Yu, E., Nomie, K., & **Sanner, J.** (April 2014). *Current and emerging strategies to improve research follow-up rates*. The University of Texas Health Science Center at Houston, Center for Nursing Research, School of Nursing Research Day, Houston, Texas, (BSN Honor Student Mentor/Advisor and poster co-author).

*Chiang, Y., De Jesus, M., Mitchel, M., **Sanner, J.**, & Yu, E. (March 2015). *Genetic knowledge: Implications for nursing practice*. The University of Texas Health Science Center at Houston, Center for Nursing Research, School of Nursing Research Day, Houston, Texas, (BSN Honor Student Mentor/Advisor and poster co-author).

Yu, E., De Jesus, M., Mitchel, M., Udtha, M., & **Sanner, J.** (March 2015). *Measurement issues in genomic research*. The University of Texas Health Science Center at Houston, Center for Nursing Research, School of Nursing Research Day, Houston, Texas, (BSN Honor Student Mentor/Advisor and poster co-author).

Sanner, J. (2016, February). *Nurses perspective of cardiovascular risk factor control*. The Preventative Cardiology Forum XXVI: How to Control Cardiovascular Risk Factors to Improve Survival, The University of Texas Health Science Center at Houston, McGovern Medical School, part of The University of Texas Medical Branch and The American Heart Association, Houston, Texas, (Podium presenter). (Invited).

*Malone, C., Udtha, M., Hall, M., Yu, E., & **Sanner, J.** (April 2016). *Roles of clinical practice nurses in interdisciplinary research teams*. The University of Texas Health Science Center at Houston, Center for Nursing Research, School of Nursing Research Day, Houston, Texas, (BSN Honor Student Mentor/Advisor and poster co-author).

*Chang, K., Udtha, M., Cron, S., & **Sanner, J.** (April 2016). *Gender-related variations in quality of sleep and life after hospitalization for acute coronary syndrome*. The University of Texas Health Science Center at Houston, Center for Nursing Research, School of Nursing Research Day, Houston, Texas, (BSN Honor Student Mentor/Advisor and co-author). First Place Podium Presenter Award Recipient.

Sanner, J. (April 2017). *The University of Texas Health Science Center at Houston Biobank and The University of Texas System Health Biobank Consortium*. The University of Texas Health Science Center at Houston, Precision Medicine Day, Houston, Texas, (Podium presenter). (Invited).

Beauchamp, J., & Chaoul, A. (April 2019). *Meditation for post stroke Depression (MEND). Connecting to your three doors of body, energy and mind*. Texas Yoga for Health Training Conference, Houston, Texas, (Podium presenter). (Invited).

Beauchamp, J. (April 2019). *Meditation for Mental Health*. Taste of Science, Houston, Texas (Podium presenter). (Invited).

Beauchamp, J. (July 2019). *Mindful living*. Weekly Family YMCA Active Older Adults Program, Houston, Texas (Podium presenter). (Invited).

*Rhoades, B., **Beauchamp, J. E. S.,** Engebretson, J., & Wardell, D. (October 2019). *Influencing factors on LVAD adaptation: a systematic review*. The University of Texas Health Science Center at Houston, Center for Nursing Research, Cizik School of Nursing Research Day, Houston, Texas, (Doctoral student committee chair and co-author).

Courses Taught

Institution

The University of Texas Health Science
Center at Houston, Cizik School of Nursing,
Houston, Texas

Reproductive Health Care Clinical (N3532B), 2 credits, Instructor, 2011-2012, Clinical.

Reproductive Health Care (N3532), 3 credits, Instructor, 2011-2016, Student Presentations.

Pathophysiology (N3517), 3 credits, Guest Lecturer on Genetic and Congenital Disorders, 8/2011-5/2012, Didactic.

Design of Measurement in Nursing Research and Practice (N7541), 3 credits, Doctoral Guest Lecturer on Measurement Issues in Genomic Research, 2014, Didactic.

Clinical & Epidemiological Research for Advanced Nursing (N6101W), 3 credits, Instructor and Lead Instructor, 2013-2016, Didactic.

Evaluation & Application of Research (N6105W), 3 credits, Instructor and Lead Instructor, 2014-2017, 2018-2020, Didactic and Online.

Comparative Effectiveness Research (N6820), 3 credits, Doctoral Instructor, 2015, Didactic.

Advanced Research Designs and Methods II (N7542), 3 credits, Doctoral Guest Lecturer on Bio-behavior Research Methods Associated with Cardiovascular Disease Prevention & Outcomes, 2016, Didactic

Biobehavioral Research Application in a Stroke Survivor and Informal Caregiver Population (N7700 120), 3 credits, 2017, Doctoral Independent Study Lead Instructor.

Clinical Trials Course (N7700 120), 3 credits, 2018, Doctoral Independent Study Lead Instructor.

Research Planning & Implementation (N7552), 3 credits, 2018-2019, Doctoral Course Instructor.

Advanced Research Designs & Methods (N7540 I), 3 credits, Doctoral Course Instructor & Lead Instructor, 2019-2020, Didactic and Online.

Advanced Research Designs & Methods II (N7542 II), 3 credits, Doctoral Course Instructor, 2020, Online.

List of Project/Thesis/Dissertation Advisees

Institution

The University of Texas Health Science
Center at Houston, Cizik School of Nursing,
Houston, Texas

BSN Honor Student Projects

1. Melanie Newman, "*The Impact of Sleep Disturbance and Depression on Cardiovascular Disease in Women*," 2012, Mentor/Advisor.
2. Kevin Schultz, "*A Sad Heart Depression Screening in Cardiac Inpatients: A Review of the State of the Science*," 2013, Mentor/Advisor. Nominated and awarded the Houston Chronicle Salute to Nurses Scholarship for 2016.
3. Ida D'Amour Solomon, "*Genetic Research: Implications for Nursing Practice*," 2013, Mentor/Advisor.
4. Stephen Crawford, "*Genetic Research: Implications for Nursing Practice*," 2013, Mentor/Advisor.
5. Thao T. Nguyen, "*Sleep Quality and Quality of Life in a Community Cardiac Sample*," 2013, Mentor/Advisor.
6. Dana Henry, "*UTHealth CCTS Biobank: Benefits and Uses*," 2014, Mentor/Advisor.
7. Kris Fang, "*UTHealth CCTS Biobank: Benefits and Uses*," 2014, Mentor/Advisor.

8. Kelly Orr, "*Current and Emerging Strategies to Improve Research Follow-up Rates*," 2014, Mentor/Advisor.
9. Catherine Yu, "*Investigating Issues Related to Nursing Research*," 2014, Mentor/Advisor.
10. Magen Mitchel, "*Investigating Issues Related to Genetic Measurement in Nursing Research*," 2015, Mentor/Advisor.
11. Marina Paz DeJesus, "*Investigating Issues Related to Genetic Measurement in Nursing Research*," 2015, Mentor/Advisor.
12. Karin Chang, "*Gender-related Variations in Quality of Sleep and Life after Hospitalization for Acute Coronary Syndrome*," 2016, Mentor/Advisor.
13. Charlotte Malone, "*Roles of Clinical Practice Nurses in Interdisciplinary Research Teams*," 2016, Mentor/Advisor.
14. Kelsey Thornton, "*Assessing the Public's Perspectives, Attitudes, and Beliefs Related to Biobanking for Research*," 2016, Mentor/Advisor.
15. Megan Groneman, "*Assessing the Public's Perspectives, Attitudes, and Beliefs Related to Biobanking for Research*," 2016, Mentor/Advisor.
16. Emily C. Marso, "*Assessing the Public's Perspectives, Attitudes, and Beliefs Related to Biobanking for Research*," 2017-2018, Mentor/Advisor.
17. Nicole Baltazar, "*Utility of an Anxiety Screening Scale in Predicting Post-Stroke Anxiety*," 2018-2019, Mentor/Advisor. Student Nursing Ambassador.
18. Andrea Leal Ancer, "*Utility of an Anxiety Screening Scale in Predicting Post-Stroke Anxiety*," 2018-2019, Mentor/Advisor.
19. Alejandra Castro, "*Promoting Stroke Health Literacy among Spanish-speakers through Innovative Language Concordant Educational Devices*," 2020.
20. Kimberly Aguilera, "*Stroke Survivor and Informal Caregiver Mental Health and Well-being: A Research Perspective*," 2020-2021.

Dissertation Advisees

1. Brittany Rhoades (Williams), "*Left Ventricular Assist Device Adjustment Impacted by Assigned Patient Trajectory (LVAD-ADAPT): A Qualitative Exploratory Study*," Advisor, 2015-present. Funding: The Heart Exchange Support Group, Inc., \$2,520.
2. Mary Love, "*The Effect of Meditation on Resilience among Stroke Survivors in the First Year of Recovery*," Advisor, Dissertation Chair, 2016-2019.

3. Raji Pillai, Advisor, 2018-present.

4. Ladonna Christy, “*The Utility of Clinical Decision Support Systems that Early Identify Changes in Patient Condition,*” Dissertation Committee Member, 2019-present.

5. Melissa Fadipe, Advisor, 2020-present.

Institution

The University of Texas Health Science
Center at Houston, School of Public Health,
Houston, Texas

1. Raven Cunningham, “*Depression Screening Using Smartphone Technologies: A Data Driven Approach,*” Dissertation Proposal External Reviewer, 2016-2017.
