EDUCATION

BSN	University of Florida, Gainesville, FL	09/1966 – 06/1970
MSN	University of California, San Francisco, CA	09/1977 – 03/1979
PhD	Texas Woman's University, Houston, TX	01/1985 – 05/1990

LICENSURE & CERTIFICATION

RN No. 464256	State of Texas	current
Critical Care Registered Nurse	American Association of Critical-Care Nurses	1977 – 1983
Provider, BLS	American Heart Association	1970 – present
Instructor, BLS	American Heart Association	1983 – 2020
Advanced Cardiac Life Support	American Heart Association	1982 – 1984, 1998 – 2003

PROFESSIONAL EXPERIENCE

Shands Teaching Hospital University of Florida Gainesville, FL	Staff Nurse, Pediatric ICU	06/1970–12/1970
Broward General Medical Center Ft. Lauderdale, FL	Staff Nurse, Medical-Respiratory ICU	01/1971 – 08/1971
Mount Sinai Hospital New York, NY	Nurse Clinician, Surgical-Respiratory ICU	09/1971 – 05/1973
Presbyterian Hospital Pacific Medical Center San Francisco, CA	Staff Nurse, Cardiopulmonary ICU	09/1973 – 08/1974
Hahneman Hospital (formerly Marshal Hale Medical Center) San Francisco, CA	Part-time Charge Nurse, ICU	01/1974 – 07/1974

PROFESSIONAL EXPERIENCE (cont.)

Presbyterian Hospital Pacific Medical Center San Francisco, CA	Part-time Instructor Flight Nurse (on-call status) Consultant for respiratory and neurological transports Part-time Staff Nurse, Cardiopulmonary ICU	08/1974 – 09/1977
University of California San Francisco, CA	Staff Nurse (on-call status) Post Anesthesia Recovery Room	09/1977 – 08/1978
Sedlock & Associates Continuing Postgraduate Education In Critical Care Nursing Provider Mill Valley, CA	Associate	09/1977 – 08/1978
Mt. Elizabeth Hospital Singapore, Republic of Singapore	Pulmonary Critical Care Consultant Director, Respiratory Care Services	05/1980 – 07/1981
Hermann Hospital Houston, TX (now Memorial Hermann Hospital – Texas Medical Center)	Pulmonary Clinical Nurse Specialist Director of Research Staff Associate to the President and Chief Executive Officer	10/1982 – 06/1986 06/1986 – 06/1987 06/1987 – 09/1988
Independent Practice Houston, Texas	Pulmonary Critical Care Consultant	03/1988 – 08/1990
Texas Woman's University Houston, TX	Clinical Professor, Graduate Program Director of Research, Inst. of Health Sciences Director of Research, College of Nursing	08/1990 – 08/1996 09/1992 – 08/1996 09/1994 – 08/1996
The University of Texas Health Science Center Houston, TX	Associate Professor (with tenure) Associate Dean for Research Director, Center for Nursing Research Jerold B. Katz Distinguished Professor for Nursing Research Director, Biosciences Laboratory Professor (with tenure), School of Nursing Director, Preclinical Critical Care Laboratory Interim Director, Bioscience Laboratory	09/1996 – 08/2006 09/1996 – 12/2010 09/1996 – 12/2010 06/2004 – present 12/2004 – 01/2009 09/2006 – present 09/2009 – 08/2012 09/2016 – 08/2019
St. Luke's Episcopal Hospital Houston, TX	Research Consultant (20% joint appointment) Critical Care Services, Division of Nursing	01/2003 – 08/2009

INTERNATIONAL EXPERIENCE

Mt. Elizabeth Hospital Singapore, Republic of Singapore	Pulmonary Consultant and Director of Respiratory Care Services	05/1980 – 07/1981
Universidade Federal De Minas Gerais Escola de Enfermagem Belo Horizonte, Brazil	University of Texas Health Science Center at Houston Delegate to promote collaborative research and research training	02/2000
FIOCRUZ Centro de Pesquisas Belo Horizonte, Brazil	University of Texas Health Science Center at Houston Delegate	02/2000
Universidade Federal De Minas Gerais Instituto de Ciencias Biologicas Belo Horizonte, Brazil	University of Texas Health Science Center at Houston Delegate	02/2000
University of Brasilia Nursing Department Brasilia, Brazil	University of Texas Health Science Center at Houston Delegate	03/2000
Chagas Disease Multidisciplinary Research Laboratory and Department of Cell Biology University of Brasilia Brasilia, Brazil	University of Texas Health Science Center at Houston Delegate	03/2000
Universidade Federal de Minas Gerais Escola De Enfermagem Belo Horizonte, Minas Gerais, Brazil	Visiting Scientist	08/2000
Universidad Autonoma de Tamaulipas Escuela de Enfermeria Tampico, Mexico	Visiting Scholar	04/2003 – 05/2003
Yupha Wongrostrai PhD in Nursing Student Chiang Mai University Chiang Mai, Thailand	Co-advisor Dissertation Committee member	09/2011 – 12/2015 06/2012 – 12/2015
Nicola Hewitt MN student Deakin University Victoria, Australia	Reader, Master's thesis (A Systematic Review on Lateral Positioning in Critically Ill Patients Using the Cochrane Methodology)	2013

International (cont.)

Higher Colleges of Technology Faculty of Health Sciences Jordan and United Arab Emirates	Keynote Speaker, Health Sciences Research Workshop (virtual) (Invited)	04/05/2022
Research Funding Department University of Sharjah, United Arab Emirates	Grant reviewer, Mentorship across the United Arab Emirates	May 2022

HONORS & AWARDS

Nursing Fellowship Award	American Lung Association	1977 – 1979
Graduate Division Research Award	University of California	1978
Strobel Medical Research Award	San Francisco Lung Association	1978
Research Award	American Association of Critical-Care Nurses San Francisco Chapter	1978
The Harold E. Evans Memorial Research Award	Texas League for Nursing and Texas Nurses Association	1986
Research/Writing Excellence Award Doctoral Program	Texas Woman's University, Houston	1987
AACN Critical Care Research Award	American Association of Critical-Care Nurses	1992
Outstanding Alumnus Award	University of Florida College of Nursing	1994
Outstanding Performance in Nursing	District 9, Texas Nurses Association	1995
Fellow	American Academy of Nursing (FAAN)	1995 – present
Member, Sigma Xi The Research Society	Rice University-Texas Medical Center Chapter	1997
Nominee, Distinguished Alumnus Award	University of California, School of Nursing	1998
Distinguished Research Lecturer Award	American Association of Critical-Care Nurses	2000

HONORS & AWARDS (cont.)

Honoree	Texas Woman's University Great 100 Nursing Alumni, Centennial Celebration	2001
Nominee, President's Mentoring Award	University of Texas Health Science Center	2002, 2006, 2007, 2009
Appointed to the Jerold B. Katz Distinguished Professorship for Nursing Research	University of Texas Health Science Center	2004 - present
John P. McGovern Outstanding Undergraduate Teacher of the Year	University of Texas Health Science Center School of Nursing Nominee	2014, 2017, 2019 2021
Finalist, Graduate Teacher of the Year		2007, 2016, 2019, 2021
Selected by graduating class to pin students	University of Texas Health Science Center Cizik School of Nursing	Dec. 18, 2014 May 15, 2015 Aug. 21, 2015 Dec. 18, 2015 May 13, 2016 Aug. 19, 2016 Aug. 18, 2017 Dec. 15, 2017 May 14, 2022
Selected to give the Eulogy at the Memorial Service of Duck-Hee Kang, PhD, RN, FAAN	Garden Oaks Funeral Home Houston, Texas	Sept. 24, 2016
1 st Place Abstract for Podium Presentation, "Effect of Light at Night on Salivary Interleukin (IL)-6 Levels"	Research Day 2017 University of Texas Health Science Center at Houston School of Nursing & Sigma Theta Tau International, Zeta Pi Chapter	June 9, 2017
School of Nursing Nominee	Minnie Stevens Piper Foundation Piper Professor of 2018	October 2017
Inductee	University of Texas System Kenneth I. Shine, M.D., Academy of Health Science Education	February, 2022
Recipient	University of Texas Regents' Outstanding Teaching Award	2022
Distinguished Teaching Professor	University of Texas	2022 - present

GRANTS

Research Grants

Unit-based clinical nurse specialist intervention effects on preventable pulmonary complications, American Association of Critical-Care Nurses, Houston-Gulf Coast Chapter, Houston, TX
\$1,500 (1985)

Identification of physiological predictors of early successful weaning from mechanical ventilation after cardiac surgery , Research Enhancement Program Grant, Texas Woman's University, Denton, TX, \$3,000 (1990)

Identification of physiological predictors of early successful weaning from mechanical ventilation after cardiac surgery, Nursing Research Grant, American Lung Association/San Jacinto Area, \$4,000 (1990)

Differences in pulmonary mechanics in different patient body positions as predictors of weaning time, Research Enhancement Program Grant, Texas Woman's University, Denton, TX, \$3,000 (1992)

Subjective nursing assessment of cough effort, Parry Scholar Research Grant, Texas Woman's University College of Nursing, Houston, TX, \$2,961 (1994)

Psychometric testing of the Overt Agitation Severity Scale, The Methodist Foundation, Faculty Advisor (PI, Heather Kopecky, RN, MSN, PhD student), \$38,000 (1994)

Nursing assessment of cough effort in mechanically ventilated patients, College of Nursing Research Grant, Texas Woman's University, Houston, TX, \$2,101 (1995)

Reducing the side effects of corticosteroid therapy in pediatric patients with solid tumors, American Cancer Society Doctoral Scholarship in Cancer Nursing, Faculty Advisor (PI, Nancy E. Kline, RN, MS, CPNP, CPON, PhD student), \$24,000 (1996)

Development of an instrument to measure clinical nursing expertise, American Nurses Foundation, Consultant (PI, Eileen Lake, RN, MPP, MA, University of Pennsylvania PhD student), \$3,500 (1997 –1998)

The effects of analgesia on tissue oxygenation following lateral rotation in cardiovascular patients with impaired cardiac function, Hewlett-Packard/AACN Critical Care Nursing Research Grant, Mentor (PI, Jill Jesurum, RN, MSN, PhD student), \$32,000 (1997 – 1999)

Biorhythms during mechanical ventilation and weaning, Academic Research Enhancement Award (Grant # R15-NR04488), National Institute of Nursing Research, NIH, \$105,000 (1997 – 2000)

Mini-Loggers for continuous temperature monitoring, PARTNERS Research Award, The University of Texas School of Nursing at Houston, \$4,000 (1997)

Age-related differences in female circadian temperature rhythms, Sigma Theta Tau, Beta Beta at Houston Chapter Research Award, \$750 (2001)

Research Grants (cont.)

Age-related differences in female circadian temperature rhythms, PARTNERS Research Award, The University of Texas School of Nursing at Houston, \$4,691 (2001)

Bioscience Laboratory Infrastructure, PARTNERS Research Equipment Award, The University of Texas School of Nursing at Houston, \$51,544 (2003)

Multi-site randomized clinical trial of horizontal positioning to prevent and treat pulmonary complications in mechanically ventilated critically ill patients: A feasibility study, Howell Nursing Research Grants Program, Texas Medical Center, Houston, TX, \$15,000 (2005 – 2009)

Comparison of circadian biomarkers in women: Pilot study, PARTNERS Research Award, The University of Texas School of Nursing at Houston, \$19,200 (2005 – 2010)

Porcine intensive care unit: An innovative model for faculty recruitment, Enrich Nursing Through Exceptional Recruitment program, The University of Texas System, \$500,000 (2006 – 2008)

Multi-site randomized clinical trial of horizontal positioning to prevent and treat pulmonary complications in mechanically ventilated critically ill patients: A pilot study and hemodynamic sub study, American Association of Critical-Care Nurses, AACN Houston-Gulf Coast Chapter Research Grant, Mentor (PI, Shannan Hamlin, PhD in Nursing student), \$3,000 (2006 – 2008)

Multi-site randomized clinical trial of horizontal positioning to prevent and treat pulmonary complications in mechanically ventilated critically ill patients: A pilot study, Norma J. Shoemaker Nursing Research Grant, Society of Critical Care Medicine, \$15,000 (2006 – 2010)

Multi-site randomized clinical trial of horizontal positioning to prevent and treat pulmonary complications in mechanically ventilated critically ill patients: A pilot study and hemodynamic sub study, American Association of Critical-Care Nurses, AACN Mentorship Grant, Research Mentor (PI, Shannan Hamlin, MSN, RN, ACNP, CCRN, PhD in Nursing student), \$10,000 (2006 – 2010)

Biomarker circadian rhythm profiles in critically ill mechanically ventilated patients, Research Grant, Texas Nurses' Association, District 9, Mentor (PI, Mary Anne Vincent, MS, RN, ACNS-BC, CNS, CCRN, PhD in Nursing student), \$1,500 (2007 – 2008)

Pre-clinical critical care laboratory infrastructure, PARTNERS Research Award, The University of Texas School of Nursing at Houston, \$67,840 (2007 – 2010)

Biomarker circadian rhythm profiles in critically ill mechanically ventilated patients, Grant T32 RR024148, Center for Clinical & Translational Sciences, University of Texas Health Science Center at Houston National Center for Research Resources, NIH, Sponsor and Mentor (PI, Mary Anne Vincent, PhD in Nursing student), \$48,274 (2008 – 2009)

Biomarker circadian rhythm profiles in critically ill mechanically ventilated patients, Virginia Henderson Clinical Research Grant, Sigma Theta Tau International, Mentor (PI, Mary Anne Vincent, PhD in Nursing student), \$5,000 (2008 – 2010)

Research Grants (cont.)

Biomarker circadian rhythm profiles in critically ill mechanically ventilated patients, Research Grant, Sigma Theta Tau International, Zeta Pi Chapter, Mentor (PI, Mary Anne Vincent, PhD in Nursing student), \$2,000 (2008 – 2010)

Biomarkers of experimental *Pseudomonas Aeruginosa* pneumonia in pigs receiving mechanical ventilation: A feasibility study, PARTNERS Research Award, The University of Texas School of Nursing at Houston, Co-Investigator (PI, Deborah Jones, PhD, RN), \$17,217 (2008 – 2010) – project not initiated, funds returned

Circadian rhythms in a porcine ICU model, The Vivian L. Smith Foundation, Houston, TX, \$100,000 (2008 – 2014)

Biomarkers of experimental *Pseudomonas Aeruginosa* pneumonia in pigs receiving mechanical ventilation: A feasibility study, PARTNERS Research Award, The University of Texas School of Nursing at Houston, Co-investigator (PI, Deborah Jones, PhD, RN), \$20,836 (2009 – 2011) - project not initiated, funds returned

Measurement of body temperature and salivary melatonin, PARTNERS Research Award, The University of Texas School of Nursing at Houston, \$6,509 (2011 – 2016).

Toothbrushing effects in mechanically ventilated critically ill adults. Dean's Research Award, The University of Texas School of Nursing at Houston, Co-investigator (PI, Deborah Jones, PhD, RN), \$8,936 (2012 – 2018)

Learning transfer from simulation to bedside in nurses using technology to interpret patient ventilator asynchrony (PVA). American Association of Critical-Care Nurses (AACN) – Phillips Medical Systems Clinical Outcomes Grant. Co-investigator (PI, Karen G. Mellott, PhD, RN), \$9,994 (2014 – 2018).

A randomized controlled trial of Dexamethasone for dyspnea in cancer patients. National Cancer Institute, National Institutes of Health, 1R01 CA214960-A1, Co-investigator (PI, David Hui, M.D.), \$1,618,432 (2017 – 2022)

Strategies for persistent agitated delirium in palliative care. National Cancer Institute, National Institutes of Health, 1R01 CA225701-01A1, Co-investigator (PI, David Hui, M. D.), \$1,871,267 (2019 – 2023).

Development and Psychometric Testing of the Drake Atrial Electrogram Assessment Survey: DAEGAS©. Zeta Pi Chapter, Sigma Theta Tau International, Co-investigator and Mentor (PI, Jeanette Drake, ACNP-BC, PhD student), \$1,000 (May 2019 – 2020).

Educational Grants

Respiratory RN Training Program, Skills Development Funds, Economic Development Board , Singapore, Republic of Singapore, Project Director, \$250,000 (1980)

Extramural Associates Program Fellowship, National Institutes of Health, Bethesda, MD, \$26,000, 1992

Texas Woman's University Research Development, Grant # 1 G11 HD32693-01, Extramural Associates Research Development Award, National Institute of Child Health and Human Development, NIH, \$263,901 (1994 – 1997)

Educational Grants (cont.)

Teaching with virtual reality, PARTNERS Research Award, The University of Texas School of Nursing at Houston, \$9,141 (1998)

Research Integrity Conference, U.S. Public Health Service, Office of Research Integrity, \$15,000 (1998 – 1999)

Advanced Rehabilitation Research Training for Physical Therapy (postdoctoral research training grant), Texas Woman's University, School of Physical Therapy, National Institute on Disability and Rehabilitation Research, External Evaluator (PI, Elizabeth Protas, PhD, RPT), \$750,782 (1999 – 2001)

Baccalaureate and Graduate Nursing Education: An Innovative Collaboration Nursing Innovation Grant Program, Texas Higher Education Coordinating Board, Research Mentor (Project Director, Renae Schumann, PhD, RN), \$251,162 (January 01, 2004 – August 31, 2005)

Transforming ICUs to Retain Staff and Improve Unit Outcome, Grant # D66HP03172-01-00, Health Resources and Services Administration, Consultant (Project Director, Gail L. Ingersoll, EdD, RN, FAAN, FNAP, University of Rochester, Strong Memorial Hospital, Rochester, New York), \$1,456,990 (2004 – 2009)

Center for Clinical and Translational Sciences (CCTS), Grant # UL1 RR024148, University of Texas Health Science Center at Houston, National Center for Research Resources, NIH, \$36,000,000 (2006 – 2011)

Planning Committee, Member 2005 - 2006

Training Board, Educational Research, Training and Career Development Core, Member, 2006 - 2014

T32 Advisory Board, Member, 2006 - 2009

KL2 Advisory Board, Member, 2006 - 2014

Engine of Innovation Think Tank, Member, 2006 - 2014

W. M. Keck Center for Interdisciplinary Bioscience Training of the Gulf Coast Consortia Training Program in Health Information Technology for Patient Safety and Quality, Agency for Healthcare Research and Quality Grant No. 1 T32 HS017586, Program Faculty and Mentor (Co-PIs, Todd Johnson, PhD, and Eric Thomas, MD, PhD), \$2,185,342, (2009 – 2014)

Wong M, **Hanneman SK.** (June 2016). "Monitoring for respiratory compromise: Results of a survey of nurses." International Conference on Opioids, Boston, MA, Poster presentation.

Mathew Joseph N, **Hanneman SK.** (July 2017). Physical Activity in U.S. Asian-Indian Women: Comparison of Acculturation Level and Immigrant Status. Sigma Theta Tau International 28th International Nursing Research Congress, Dublin, Ireland, Podium Presentation.

Wongrostrai Y, Fongkaew W, Pinyokham N, **Hanneman SK.** (October 20 – 22, 2017). A Qualitative study of factors affecting sustainable implementation of a mechanical ventilation weaning protocol. International Nursing Research Conference 2017, Thailand Nursing and Midwifery Council and the World Academy of Nursing Science, Bangkok, Thailand (Podium presentation)

Drake J, **Hanneman SK,** McEwen M, Ramirez E, Conti V. (2020). Development and Psychometric Testing of the Drake Atrial Electrogram Assessment Survey: DAEGAS©. Sigma Theta Tau International and National League for Nursing Education Conference, Washington, D.C. (Poster presentation; accepted and poster prepared, but unable to present due to UTHHealth coronavirus restrictions)

Hanneman SK. (April 5, 2022). Disseminating research findings. Higher Colleges of Technology, Faculty of Health Sciences, Health Sciences Research Workshop, Jordan and United Arab Emirates (virtual podium) (Invited Keynote Speaker).

National Presentations

Hanneman, SK. (October 18-21, 1990). "Fostering Humanism in Critical Care," Society of Critical Care Medicine Invitational Conference, Snowbird, UT. Faculty

Hanneman, SK. (May 12-16, 1991). "Developing Skilled Knowledge in Critical Care Nursing Practice," "Research-based Product Evaluation," "1991 NTI Forum: Collaboration Between Service and Academia: Impossibility or Opportunity?" and "Approaches to Patient Support and Family Involvement in ICU," American Association of Critical Care Nurses' National Teaching Institute, Boston, MA. Speaker.

Hanneman, SK. (May 21, 1991). "Diversity in Practice: Challenging the Myths of Clinical Competency," National Association of Orthopedic Nurses 11th Annual Congress, San Antonio, TX. Speaker.

Hanneman, SK. (April 3, 1992). "Building a Research Program at a Women's Institution," Grants Associate Seminar, National Institutes of Health, Bethesda, MD. Speaker.

Hanneman, SK. (May 19, 1992). "Physiological Predictors of Successful Early Weaning from Mechanical Ventilation after Cardiac Surgery," Scientific Sessions, American Association of Critical Care Nurses National Teaching Institute, New Orleans, LA. Paper Presentation.

Hanneman, SK. (May 21, 1992). "Patterns and Relationships between Expert and Non-expert Critical Care Nursing Practice and Patient Outcomes," Scientific Sessions, American Association of Critical Care Nurses National Teaching Institute, New Orleans, LA. Paper Presentation.

Hanneman, SK. (May 26, 1992). "The Effect of Clinical Nursing Expertise on Patient Outcomes," Division of Nursing, National Institutes of Health Clinical Center, Bethesda, MD. Speaker.

Hanneman, SK. (April 29, 1993). "Predictors of Weaning from Mechanical Ventilation" and "Patterns in Expert and Non-expert Critical Care Nursing Practice and Patient Outcomes," AACN 6th Annual Nursing Research Symposium, Kansas City, KS. Speaker and Keynote Speaker, respectively.

Hanneman, SK. (September 23, 1993). "Building a Research Enterprise in a Non-Research Intensive Institution," Extramural Associates 1993 Update Conference, National Institutes of Health, Bethesda, MD. Keynote Speaker.

Hanneman, SK. (November 13, 1993). "Preventing Pulmonary Complications," *Finding your Niche in Nursing*," Panel, National Student Nurses' Association Mid-Year Conference, Dallas, TX. Presenter.

Hanneman, SK. (November 30, 1993). "Patterns in Expert and Non-expert Critical Care Nursing Practice and Patient Outcomes," Sigma Theta Tau International Scientific Sessions, Indianapolis, IN. Paper Presentation.

Hanneman, SK. (May 8, 1994). "Differences in Pulmonary Mechanics Due to Body Position in MICU Patients Being Weaned from Mechanical Ventilation," AACN National Critical Care Nursing Research Conference, Atlanta, GA. Paper Presentation.

Hanneman, SK. (May 12, 1994). "Ventilator Weaning: Current Status and Future Directions," AACN National Teaching Institute, Atlanta, GA. Panel Member.

PRESENTATIONS – National (cont.)

Hanneman, SK. (December 10, 1994). "Differences in Pulmonary Mechanics Due to Different Body Positions in MICU Patients Being Weaned from Mechanical Ventilation," American Association of Respiratory Care Annual Meeting, Las Vegas, NV. Oral and Poster Presentation.

Hanneman, SK. (September 26, 1996). "What has the EARDA Done for Our Schools?" Fostering Science at Women's Colleges and Minority Institutions. National Institutes of Health, Extramural Associates Program and Carlow College, Pittsburgh, PA. Panel Presentation.

Hanneman, SK. (May 20-21, 1997). "Subjective Nursing Assessment of Cough Effort Intensity," 24th Annual National Teaching Institute, American Association of Critical Care Nurses, Orlando, FL. Poster Presentation.

Hanneman, SK. (May 21, 1997). "3rd National Study Group: Forward Progress to Test a Model of Weaning." 24th Annual National Teaching Institute, American Association of Critical Care Nurses, Orlando, FL. Panel Presentation.

Hanneman, SK. (June 18-21, 1998). "Subjective Nursing Assessment of Cough Effort," The Philippine Nurses Association National Convention, Poster Presentation, San Diego, CA.

Hanneman, SK. (March 11-12, 1999). "Research Integrity: A Professional, Ethical, and Social Obligation." National Conference hosted by The University of Texas Health Science Center at Houston and co-sponsored by The University of Houston, UT MD Anderson Cancer Center, Texas Woman's University-Houston Center, Texas

Southern University, Prairie View A&M University, and the US Public Health Service Office of Research Integrity, Houston, TX. Conference Chair.

Hanneman, SK. (May 22, 2000). "Fascinating Rhythms: Clues to Better Patient Care?" American Association of Critical-Care Nurses, National Teaching Institute, Orlando, FL. Distinguished Research Lecture. **Invited.**

Hanneman, SK. (November 1-5, 2000). "The Promise and Perils of Real-time Data," American Academy of Nursing Annual Meeting, San Diego, CA. Poster Presentation.

Hanneman, SK. (May 5-9, 2002). "Comparison of Methods of Temperature Measurement in Swine," American Association of Critical Care Nurses, National Teaching Institute, Atlanta, GA. Poster Presentation.

Hanneman, SK. (September 26-28, 2002). "Circadian Temperature Rhythm in Women," State of the Science Congress, Washington, DC. Paper Presentation.

Hanneman, SK. (January 28-February 2, 2003). "Porcine Intensive Care Model," 32nd Critical Care Congress, Society of Critical Care Medicine, San Antonio, TX. Poster Presentation and Professor Walk Rounds.

Hanneman, SK. (October 7, 2004). "Application of Chronobiology Theory and Methods to Health Issues," National Congress on the State of the Science in Nursing Research, Washington, D.C. Symposium Coordinator.

Hanneman, SK. (October 7, 2004). "Biomarkers of Circadian Rhythmicity," National Congress on the State of the Science in Nursing Research, Washington, D.C. Symposium Paper Presentation.

PRESENTATIONS – National (cont.)

Hanneman, SK. (May 7-12, 2005). "Frequency of Oral Care and Positioning in Critical Care: A Replication Study," American Association of Critical-Care Nurses, National Teaching Institute & Critical Care Exposition (NTI), New Orleans, LA. Poster Presentation.

Hanneman, SK. (January 10, 2006). "Year in Review: Nursing," 35th Critical Care Congress, Society of Critical Care Medicine, San Francisco, CA. Paper Presentation.

Vincent MA, **Hanneman SK**, Padhye NS. (May 21-25, 2006). "Porcine Stress Hormone Circadian Rhythms in Intensive Care," 10th Biennial Society for Research on Biological Rhythms Conference, Sandestin, FL. Poster Presentation.

Hanneman SK, Vincent MA. (October 2006). "Challenges of Establishing a Pre-Clinical Model for Translational Research in Critical Care," National State of the Science Congress in Nursing Research, Washington, DC. Paper Presentation.

Hanneman SK. (May 21, 2007). "A Decade Plus: Contributions to the Science from AACN-Philips Research Grants," AACN National Teaching Institute, Atlanta, GA. Panel Presentation.

Vincent MA, **Hanneman SK**, Padhye N. (May 17-21, 2008). "Circadian rhythm analysis: A pilot study of single vs. serial section cosinor analysis," The Society for Research on Biological Rhythms 11th Biennial Meeting, Sandestin, FL. Paper Presentation.

Hanneman, SK. (October 2008). "Use of Biophysiologic and Biochemical Measures in Translational Research," 2008 National State of the Science Congress on Nursing Research, Washington, DC. Symposium Moderator.

Hamlin S, **Hanneman SK**, Wachtel S, Brazdeikis A, Padhye N. (October 2008). "Biophysiologic Data Acquisition and Integration to Study Turning Adverse Effects," 2008 National State of the Science Congress on Nursing Research, Washington, DC. Symposium Paper Presentation.

Wachtel S, **Hanneman SK**, Hamlin S, Brazdeikis A, Padhye N. (October 2008). "Continuous Measurement of Turn Angle During Kinetic Therapy," 2008 National State of the Science Congress on Nursing Research, Washington, DC. Symposium Paper Presentation.

Vincent MA, **Hanneman SK**, Waymire JC, Cox C. (October 2008). "Validation of Biochemical Markers of Circadian Pacemaker Function," 2008 National State of the Science Congress on Nursing Research, Washington, DC. Symposium Paper Presentation.

Hanneman, SK. (October 2008). "Nursing Leadership in a Trans-Disciplinary Roadmap Initiative," 2008 National State of the Science Congress on Nursing Research, Washington, DC. Symposium Moderator.

Hanneman, SK. (October 2008). "Shaping New Training Paradigms," 2008 National State of the Science Congress on Nursing Research, Washington, D. C. Symposium Paper Presentation.

PRESENTATIONS – National (cont.)

Hanneman SK, Flores R, Clubb F, Leyden K. (February 4 – 7, 2011). “Survival and Morbidity in a Porcine Adult ICU Model of Prolonged Mechanical Ventilation,” Society of Critical Care Medicine 41st Congress, Houston, TX. Poster session and Professor Walk Rounds (February 5, 2011).

Hanneman SK. (May 16, 2011). “Comparative Effectiveness Research,” Nursing Year In Review Symposium, American Thoracic Society, Denver, CO. Symposium Paper Presentation.

Hanneman SK, Padhye NS. (September 14, 2012). “Circadian rhythms in a porcine ICU model.” *Proceedings of the 2012 National State of the Science Congress on Nursing Research*, Washington, DC. Symposium Paper Presentation.

Padhye NS, **Hanneman SK**. (September 14, 2012). “Estimation of circadian rhythm with allowance for uncertain time period.” *Proceedings of the 2012 National State of the Science Congress on Nursing Research*, Washington, DC. Symposium Paper Presentation.

Leyden KL, **Hanneman SK**, McCarley C, Padhye NS. (September 14, 2012). “Activity-rest circadian rhythms in COPD.” *Proceedings of the 2012 National State of the Science Congress on Nursing Research*, Washington, DC. Symposium Paper Presentation.

Leyden KN, **Hanneman SK**. (September 15, 2012). “Validity of the Modified Richmond-Agitation Sedation Scale for use in sedated, mechanically ventilated swine.” *Proceedings of the 2012 National State of the Science Congress on Nursing Research*, Washington, DC. Poster Presentation.

Hanneman SK, Flores R, Clubb, Jr. FJ, Leyden KN. (September 15, 2012). “Standardized porcine adult ICU model of prolonged mechanical ventilation.” *Proceedings of the 2012 National State of the Science Congress on Nursing Research*, Washington, DC. Poster Presentation.

Vincent MA, **Hanneman SK**, Padhye NS, Smolensky MH, Kang D-H. (September 14, 2012). “ICU patient core body and ambient temperature 24-hr patterns and illness severity.” (2012). *Proceedings of the 2012 National State of the Science Congress on Nursing Research*, Washington, DC. Symposium Paper Presentation.

Hamlin SK, **Hanneman SK**, Padhye NS, Lodato RF. (September 14, 2012). “Hemodynamic changes associated with manual and automated lateral rotation in mechanically ventilated ICU patients.” *Proceedings of the 2012 National State of the Science Congress on Nursing Research*, Washington, DC. Paper Presentation.

Hanneman SK, Gusick G, Hamlin S, Wachtel S, Cron S, Jones D, Oldham S. (January 10 – 12, 2014). “Pilot study of a randomized controlled trial of manual versus automated lateral rotation.” Society of Critical Care Medicine 43rd Critical Care Congress, San Francisco, CA. Poster presentation and Professor Walk Rounds.

Hamlin SK, **Hanneman SK**. (May 22, 2014). “Efficacy and safety of lateral rotation in adult mechanically ventilated ICU patients.” American Association of Critical-Care Nurses National Teaching Institute, Denver, CO. Symposium, Research Track, Podium presentation.

PRESENTATIONS – National (cont.)

Hanneman SK, Gusick G, Hamlin S, Wachtel S, Cron S, Jones D, Oldham S. (October 2014). Effect size estimation for a randomized controlled trial of manual versus automated lateral rotation to reduce preventable pulmonary complications in mechanically ventilated ICU patients. National State of the Science Congress on Nursing Research, Washington, DC, Podium presentation.

Hanneman SK, McCue D, Blog GL. (October 2014). Partial validation of salivary IL-6 and TNF- α by enzyme immunoassay. National State of the Science Congress on Nursing Research, Washington, DC, Podium presentation.

Hanneman SK. (December 16, 2014). Ms. Manners on dissemination etiquette. Catholic Health Initiatives, Englewood, CO, Webinar.

Mellott KG, Jones DJ, **Hanneman SK**. (May 2016) Continuous bio-behavioral measures to identify patient ventilator asynchrony: Methodological and practice challenges. American Thoracic Society Annual Meeting, San Francisco, CA, Poster presentation.

Hanneman SK, Padhye NS, Whitehead L, Burk R. (October 2016). Effect of Light at Night on Salivary Melatonin Levels and Circadian Rhythm. Biennial National State of the Science Congress on Nursing Research, Washington, DC, Podium presentation.

Hanneman SK. (February 26, 2018). Weaning from mechanical ventilation: Science or art? Society of Critical Care Medicine Critical Care Congress 2018, San Antonio, TX, Podium (interdisciplinary concurrent session).

Mellott KG, **Hanneman SK**. (May 24, 2018) Mastering the intricacies of patient ventilator asynchrony. American Association of Critical-Care Nurses National Teaching Institute, Boston, MA, Podium (Mastery session)

Hanneman SK, Kamat S, Hui D. (September 14, 2018). Inflammation and Delirium in Palliative Care Patients. 2018 National State of the Science Congress on Nursing Research: Precision Health, The Council for the Advancement of Nursing Science, The American Academy of Nursing, Washington, DC, Podium presentation (Neuroscience 1).

Hanneman SK, Kamat S, Padhye NS, Whitehead L. (September 14, 2018). Light-at-night and Salivary Interleukin (IL)-6 Levels. 2018 National State of the Science Congress on Nursing Research: Precision Health, The Council for the Advancement of Nursing Science, The American Academy of Nursing, Washington, DC, Podium presentation (Methods).

Brand MC, Boyd H, Hagen J, **Hanneman SK**, Levy B, Walden M. (October 17-20, 2018) Comparing workplace stress among nurses in single family room and open bay design neonatal ICUs, 2018 National Association of Neonatal Nurses 34th Annual Conference, Anaheim, CA (podium and poster)

Drake J, **Hanneman SK**, McEwen M, Ramirez E, Conti V. (March 26-28, 2020). Development and testing of the Drake Atrial Electrogram Assessment Survey: DAEGAS[®]. Nursing Education Research Conference. Sigma Theta Tau International and the National League of Nursing, Washington, D. C., Poster presentation.

PRESENTATIONS – National (cont.)

Drake J, **Hanneman SK**. (September 17 & 18, 2020). Development and Psychometric Testing of the Drake Atrial Electrogram Assessment Survey (DAEGAS©): Phase 1. Congress on the State of the Science of Nursing Research, Council for the Advancement of Nursing Science, Washington, D. C. Virtual digital poster presentation.

PRESENTATIONS – Regional/State

Hanneman, SK. (April 6, 1993). "Strategies for Strengthening the Research Enterprise," Faculty Seminar, Texas Woman's University, College of Health Sciences and College of Nursing, Denton, TX. Speaker.

Hanneman, SK. (March 27, 1995). "Faculty as Researchers and Scholarly Beings." Texas Woman's University College of Nursing, Dallas, TX. Speaker.

Hanneman, SK. (December 8, 1995). "A Research-based Paradigm for Clinical Nursing Education?" Video-teleconference Presentation to the Houston, Denton, and Dallas campuses. Texas Woman's University College of Nursing. Speaker.

Hanneman, SK. (February 4, 1997). "Grantwriting and Funding Strategies." Texas Woman's University School of Physical Therapy. Doctoral Student Seminar. Videoteleconference presentation to the Houston and Dallas, TX campuses. Speaker.

Hanneman, SK. (February 6, 1998). "Evidence-Based Nursing," 27th Educational and Scientific Symposium, "Frontiers in Critical Care," Society of Critical Care Medicine; Moderator, Scientific Paper Session "Nursing Assessment of Clinical Parameters," San Antonio, TX. Faculty Member.

Cozart HC, **Hanneman SK**. (October 15-16, 1998). "Subjective Nursing Assessment of Cough Effort," Saint Louis University, School of Nursing and Delta Lambda Chapter of Sigma Theta Tau International 25th Annual Research Conference, Saint Louis, MO.

Hanneman, SK. (February 19, 1999). "Clinical Nurse Researchers Looking for Basic Science Solutions," 13th Annual Conference of the Southern Nursing Research Society, Charleston, SC. Symposium Paper Presentation.

Hanneman, SK. (October 4, 1998). "As the Pendulum Swings," Society of Research Administrators-Texas Chapter, Annual Meeting, Houston, TX. Keynote Address.

Cozart HC, **Hanneman SK**. (March 26, 1999). "Reliability and Validity of Cough Effort Intensity as Assessed by Nurses," Sigma Theta Tau International, Kappa Kappa Chapter Annual Research Day, Beaumont, TX.

Hanneman, SK. (May 26, 1999). "Facilitating Research-Related Activities at Minority and Women's Institutions," National Institutes of Health, Extramural Associates Program Regional Workshop, Houston, TX. Panel Presenter.

Hanneman, SK. (February 2, 2001). "Porcine Ambulatory Temperature Rhythms," 15th Annual Conference, Southern Nursing Research Society, Baltimore, MD. Paper Presentation.

PRESENTATIONS – Regional/State (cont.)

Hanneman, SK. (January 12, 2002). “Focus on Funding Strategies for Clinical Scholarship,” *Scholarship and Clinical Practice: Pain Management*. Southern States Knowledge in Nursing 3rd Annual Conference, Galveston, TX. Panel Member

Hanneman, SK. (October 1, 2002). “Reducing Health Disparities: A Worthwhile Goal,” *The EA Experience*. National Institutes of Health (NIH), Extramural Associates (EA) Program Technical Assistance Regional Workshop, Tucson, AZ. Panel Member

Hanneman, SK. (January 12, 2003). “Focus on Funding Strategies for Clinical Scholarship,” *Scholarship and Women’s Health*, Southern States Knowledge in Nursing 4th Annual Conference, Galveston, TX. Panel Member

Hanneman, SK. (May 6-12, 2004). National Nurses Week Workshop Series: Nursing Research and Its Application to Clinical Nursing Practice, Christus Health Care System, Christus St. Joseph Hospital, Houston, TX. Speaker

Hanneman, SK. (November 23, 2004). “The Reliability of Cough Effort Intensity Assessment by Nurses,” The University of Rochester, Strong Memorial Hospital, Clinical Nursing Research Center, Rochester, NY. Distinguished Visiting Scholar.

Hanneman, SK. (February 11, 2005). “Building Evidence-Based Practice: The Nurse Researcher in a Clinical Setting,” Knapp Medical Center, Weslaco, TX. Paper Presentation.

Hanneman, SK. (October 9-10, 2005) “Frequency of Oral Care and Patient Positioning in Critical Care: A Replication Study,” The University of Rochester, Strong Memorial Hospital, Clinical Nursing Research Center, Rochester, NY. Distinguished Visiting Scholar

Hanneman, SK. (April 6, 2006). “Circadian Rhythms and Biobehavioral Stress,” The University of Texas at Brownsville and Texas Southmost College, Brownsville, TX. Keynote Address.

Hanneman, SK. (November 8, 2006). “Evidence Base for Preventing Pulmonary Complications in Mechanically Ventilated Patients,” Greater Chicago Regional Nursing Research Symposium, Naperville, IL. Speaker

Hanneman, SK. (November 13, 2006) “Evidence Base for Preventing Pulmonary Complications in Mechanically Ventilated Patients,” The University of Rochester, Strong Memorial Hospital, Clinical Nursing Research Center, Rochester, NY. Presenter, Research Grand Rounds

Hamlin SK, **Hanneman SK**, Cron S, Gilman S, Gusick G, Padhye N. (February 22-24, 2007). “Multi-site Randomized Clinical Trial of Horizontal Positioning to Prevent and Treat Pulmonary Complications in Mechanically Ventilated Critically Ill Patients: Hemodynamic Substudy,” Southern Nursing Research Society Annual Meeting, Galveston, TX. Poster Presentation

Vincent MA, **Hanneman SK**, Padhye N. (February 21-23, 2008). “Biomarker Circadian Rhythm Profiles in Critically Ill Mechanically Ventilated Patients: A Pilot Study,” Southern Nursing Research Society Annual Meeting, Birmingham, AL. Poster Presentation.

PRESENTATIONS – Regional/State (cont.)

Hanneman, SK. (April 30, 2009). "Design, Analysis, and Interpretation of Method-Comparison Studies," The University of Rochester, Strong Memorial Hospital, Clinical Nursing Research Center, Rochester, NY. Distinguished Visiting Scholar.

Hanneman, SK. (February 5, 2010). "Exploration of Porcine Stress-Hormone Response to Critical Care," Southern Nursing Research Society Annual Meeting, Austin, TX. Paper presentation.

Hanneman SK. (May 25, 2011). "Circadian rhythms in the ICU," PhD Seminar, New Mexico State University, Sigma Theta Tau International, Pi Omega Chapter. Visiting Scholar.

Vakil S, **Hanneman SK**, Kamat S. (March 28, 2017). "Performance Comparison of Two Commercially Available Interleukin-6 Immunoassays, Texas Undergraduate Research Day at the Capitol, Austin, TX. Poster presentation.

Davidson, JE., Doran, N., Petty, A., Arellano, D., Henneman, E., **Hanneman, SK.**, Schell-Chaple, H., Glann, J., Smith, L., Derry, K., McNicholl, M., Slazinski, T., Ahrens, T., McLean, B., Chechel, L., & Rincon, T. (April 7, 2021). An Explanatory Descriptive Survey of Nurses' Experience Applying The Joint Commission Medication Management Titration Standards into practice, Sigma Theta Tau Beta Zeta at Large Chapter (Western Massachusetts) Virtual Scholarship Day, podium presentation.

Davidson J JE., Doran, N., Petty, A., Arellano, D., Henneman, E., **Hanneman, SK.**, Schell-Chaple, H., Glann, J., Smith, L., Derry, K., McNicholl, M., Slazinski, T., Ahrens, T., McLean, B., Chechel, L., & Rincon, T. (June 25, 2021). A national survey exposes unintended consequences when applying The Joint Commission titration standards into practice. Nursing Research and Evidence-based Practice Conference, 14th Annual Nursing Inquiry and Innovation Conference, University of California, San Diego.

Warren ML, Arellano DL, Davidson J, Doran, N., Petty, A., Henneman, E., **Hanneman, SK.**, Schell-Chaple, H., Glann, J., Smith, L., Derry, K., McNicholl, M., Slazinski, T., Ahrens, T., McLean, B., Chechel, L., & Rincon, T. (October 8, 2021). An exploratory descriptive survey of nurses' experience applying The Joint Commission Medication Management Titration Standards into practice. Society of Critical Care Medicine, Texas Chapter 10th Annual Symposium, City. Virtual platform. 1st place Jeffrey J. Bruno Symposium Award.

PRESENTATIONS – Local

Hanneman, SK. (May 14, 1990). "Care of the Adult Patient Receiving Mechanical Ventilatory Assistance," St. Luke's Episcopal Hospital Critical Care Division, Houston, TX. Speaker.

Hanneman, SK. (October 12, 1990). "Development of Skilled Knowledge in Critical Care," Houston-Gulf Coast Chapter, AACN 1990 Critical Care Trends, Houston, TX. Speaker.

Hanneman, SK. (December 4, 1990). "Pulmonary Complications: A Less Traveled Road for Professional Opportunities," St. Luke's Episcopal Hospital Professional Nursing Symposium, Houston, TX. Speaker.

PRESENTATIONS – Local (cont.)

Hanneman, SK. (February 21, 1991). "The Effect of Clinical Expertise on Patient Outcomes," Pragmatic Innovations and Applications: Shaping Our Clinical Future, Collaborative Research Conference, Houston, TX. Poster Session.

Hanneman, SK. (February 22, 1991). "Evaluation of Endotracheal Suctioning Procedures," Pragmatic Innovations and Applications: Shaping Our Clinical Future, Collaborative Research Conference, Houston, TX. Speaker.

Hanneman, SK. (May 2, 1991). "Preventable Pulmonary Complications: A Less Traveled Road for Professional Opportunities." Houston-Gulf Coast Chapter AACN, sponsored by Hewlett Packard, Houston, TX. Speaker.

Hanneman, SK. (October 18, 1991). "Adult Respiratory Distress Syndrome: What Have We Learned in 25 Years?" Houston-Gulf Coast Chapter AACN, Houston, TX. Speaker.

Hanneman, SK. (November 4, 1991). "Preventable Pulmonary Complications: A Less Traveled Road for Professional Opportunities," Hermann Hospital, Houston, TX. Visiting Scholar.

Hanneman, SK. (November 24, 1992). "Developing a Weaning Program of Research," Faculty Development Seminar, Texas Woman's University, Houston, TX. Speaker.

Hanneman, SK. (February 26, 1993). "Getting Started on a Research Path," Faculty Development Seminar, UT-Houston School of Nursing and Texas Woman's University, Houston, TX. Speaker.

Hanneman, SK. (January 6, 1994). "Flying in Formation," Professional Development Program, Harris County Hospital District, Houston, TX. Speaker.

Hanneman, SK. (February 17, 1994). "Patterns in Expert and Nonexpert Critical Care Nursing Practice and Patient Outcomes," Nursing Research: For Novice and Expert Conference, Houston, TX. Paper Presentation.

Hanneman, SK. (February 17, 1994). "Predictors of Weaning from Mechanical Ventilation," Nursing Research: For Novice and Expert Conference, Houston, TX. Paper Presentation.

Hanneman, SK. (February 17, 1994). "Differences in Pulmonary Mechanics Due to Body Position in Medical Patients Being Weaned from Mechanical Ventilation," Nursing Research: For Novice and Expert Conference, Houston, TX. Paper Presentation.

Hanneman, SK. (March 8, 1994). "Focusing the Lens to Evaluate Clinical Competency," Critical Care Trends '94, Houston-Gulf Coast Chapter AACN, Houston, TX. Presenter.

Hanneman, SK. (April 8, 1994). "The Effects of a Clinical Nurse Specialist on Preventable Pulmonary Complications," "Patterns in Expert and Nonexpert Critical Care Nursing Practice and Patient Outcomes," "Predictors of Weaning from Mechanical Ventilation," and "Differences in Pulmonary Mechanics Due to Body Position in Medical Patients Being Weaned from Mechanical Ventilation." Texas Woman's University, Institute of Health Sciences-Houston 2nd Annual Research Day, Houston, TX. Poster Presentations.

PRESENTATIONS – Local (cont.)

Hanneman, SK. (April 30, 1994). "Research-based Pulmonary Management of Postoperative Cardiac Surgery Patients," Annual Cardiovascular Symposium, Twelve Oaks Hospital, Houston, TX. General Session Presenter.

Hanneman, SK. (November 29, 1994). "Pulmonary Nursing," San Jacinto Community College Graduating Seniors, Pasadena, TX. Speaker.

Hanneman, SK. (April 28, 1995). "The Normal Curve." Sigma Theta Tau International Beta Beta Chapter Induction Ceremony, Houston, TX. Keynote Speaker.

Hanneman, SK. (May 10, 1995). "My Precious Portfolio." Texas Woman's University College of Nursing Pinning Ceremony, Houston, TX. Keynote Speaker.

Hanneman, SK. (October 11, 1995). "Days with Hundreds of Pockets." Hermann Hospital Research Day, Houston, TX. Keynote Speaker.

Hanneman, SK. (September 8, 1995). "Grantwriting." Videoteleconference Workshop to the Houston and Denton campus faculty and doctoral students. Texas Woman's University School of Occupational Therapy. Speaker.

Hanneman, SK. (November 3, 1995). "Subjective Nursing Assessment of Cough Effort." Parry Distinguished Lecture Series in Health Promotion and Disease Prevention, Texas Woman's University, Houston, TX. Poster Presentation.

Hanneman, SK. (January 4, 1996). "Predictors of Weaning from Mechanical Ventilation." Houston-Gulf Coast AACN Chapter Educational Program, Houston, TX. Speaker.

Hanneman, SK. (January 22, 1996). "A Model for Product Evaluation." Research Utilization Program, sponsored by Texas Medical Center Institutions, Houston, TX. Poster Presentation.

Hanneman, SK. (February 26, 1996). "Research that Makes a Difference in Patient Care." UT-Houston, SON Faculty and Student Seminar, Houston, TX. Speaker.

Hanneman, SK. (March 5, 1996). "Biorhythmic Patterns During Mechanical Ventilation and Weaning." 1996 Critical Care Trends, Houston, TX. Keynote Speaker.

Hanneman, SK. (October 14, 1997). "The Gel Factor: From Individual Studies to a Program of Research," Brown Bag Research Seminar, Texas Woman's University, Houston, TX. Paper Presentation.

Hanneman, SK. (January 23, 1998). Member, Mock Peer Review Panel, UT-Houston, Common Sense Approach to Grant Writing, Houston, TX.

Hanneman, SK. (October 4, 1998). "As the Pendulum Swings," Society of Research Administrators-Texas Chapter, Annual Meeting, Houston, TX. Keynote Address.

PRESENTATIONS – Local (cont.)

Hanneman, SK. (October 4, 1998). "UT on the Move," New Faculty Orientation, UT-Houston Health Science Center, Houston, TX. Speaker.

Hanneman, SK. (October 4, 1998). "Feasibility of a Porcine Model of Prolonged Acute Stress," Poster Session, and Moderator, Paper Sessions, UT-Houston Health Science Center, 4th Annual Research Day, Houston, TX.

Hanneman, SK. (October 10, 1998). "Research Questions from Practice," Improving Practice through Nursing Research Workshop, The Methodist Hospital, Houston, TX. Speaker.

Hanneman, SK. (March 2, 1999). "Developing an Experimental Model of Prolonged Acute Stress," Sigma Theta Tau International, Zeta Pi Chapter, Houston, TX. Speaker.

Hanneman, SK. (October 4, 1999). "Clinical Nurse Specialist Impact on Patient Outcomes and Nursing Practice," Nursing Research Forum, M.D. Anderson Cancer Center, Division of Nursing, Houston, TX. Presenter.

Hanneman, SK. (October 7, 1999). "A New Model for Mechanical Ventilation Weaning," Houston-Gulf Coast Chapter AACN, Houston, TX. Presenter.

Hanneman, SK. (October 8, 1999). "Time Structure of Respiratory Rate in a Porcine ICU Model," University of Texas Health Science Center at Houston, 5th Annual Research Day, Houston, TX. Poster Presentation.

Hanneman, SK. (October 8, 1999). "Porcine Ambulatory Temperature Rhythms," University of Texas Health Science Center at Houston, 5th Annual Research Day, Houston, TX. Poster Presentation.

Hanneman, SK. (May 6, 2000). "Ordinary Miracles: The Power of Observation," Sigma Theta Tau, Eta Phi Chapter, Houston Baptist University, Houston, TX. Induction Speaker.

Hanneman, SK. (May 8, 2000). National Nurses Week, "Ordinary Miracles: The Power of Observation," M.D. Anderson Cancer Center, Houston, TX. Keynote Speaker.

Hanneman, SK. (June 28, 2000). "Research in the Clinical Practice Setting," Nursing Leadership Council, St. Luke's Episcopal Hospital, Houston, TX. Speaker.

Hanneman, SK. (October 2, 2000). "Porcine Ambulatory Temperature Rhythms," The University of Texas at Houston 6th Annual Research Day, Houston, TX. Poster Presentation.

Hanneman, SK. (November 17, 2000). "Biorhythms During Mechanical Ventilation and Weaning," Research Seminar, The University of Texas School of Nursing at Houston, Houston, TX. Presenter.

Hanneman, SK. (February 15, 2001). "Professional Development and Teaching Excellence," Advances in Teaching/Learning Day at The University of Texas Health Science Center at Houston, Houston, TX. Panelist.

Hanneman SK, Ruppert Susan. (July 6, 2001). "Scholarship Ethics," Faculty Assembly, Slice of Scholarship, The University of Texas Health Science Center at Houston School of Nursing, Houston, TX. Co-Presenter.

PRESENTATIONS – Local (cont.)

Hanneman, SK. (November 30, 2001). "Comparison of Methods of Temperature Measurement in Swine," 7th Annual Research Day, University of Texas Health Science Center at Houston, Houston, TX. Poster Presentation.

Hanneman, SK. (November 1, 2002). "Porcine Intensive Care Model: Cardiopulmonary and Biochemical Responses of Growing-Finishing Swine," 8th Annual Research Day, University of Texas Health Science Center at Houston, Houston, TX. Poster Presentation.

Hanneman SK, Padhye NS. (November 1, 2002). "Circadian Temperature Rhythm in Women," 8th Annual Research Day, The University of Texas Health Science Center at Houston, Houston, TX. Poster Presentation.

Hanneman, SK. (September 26, 2003). "Circadian Temperature Rhythm in Women," Research Seminar, The University of Texas School of Nursing at Houston, Houston, TX. Paper Presentation.

Hanneman, SK. (Spring Semester, 2003). "Research Development Workshops," Series of seminars for faculty, doctoral students, and community nurses, Center for Nursing Research, The University of Texas School of Nursing at Houston, Houston, TX. Lead Instructor and Coordinator.

Hanneman, SK. (October 6, 2003). "Developing a Research Career," 3rd International Research Association for Nursing and Health Sciences (RANHS) Research Symposium on the Elderly, Houston, TX. Speaker.

Hanneman, SK. (November 8, 2005). "The Current State of Nursing Research and Future Opportunities," The Association of Clinical Research Nurses, Houston, TX. Speaker.

Hanneman, SK. (March 21, 2006). "UT-Houston Nursing Research: Coming of Age," Leadership Forum, The University of Texas Health Science Center at Houston, Houston, TX. Speaker.

Hanneman, SK. (March 24, 2006). "Frequency of Oral Care and Positioning of Patients in Critical Care: A Replication Study," Research Seminar, The University of Texas School of Nursing at Houston, Houston, TX. Speaker.

Hanneman, SK. (July 19, 2007). "Circadian Rhythms during Mechanical Ventilation," Harris County Hospital District, Nursing Research Consortium, Houston, TX. Presenter.

Vincent MA, **Hanneman SK,** Padhye NS. (November 20, 2008). "Environmental Influences on Circadian Temperature Rhythm in Intensive Care," Nursing Celebration 2008, Texas Nurses Association, District 9, Houston, Texas. Poster Presentation.

Vincent MA, **Hanneman SK,** Padhye NS. (November 21, 2008). "Environmental Influences on Circadian Temperature Rhythm in Intensive Care," 2008 Research Day, "Complex Determinants in Health: Interactions of Genetic Factors and Environmental Influences," University of Texas Health Science Center at Houston. Poster Presentation.

Hanneman, SK. (February 20, 2009). "Porcine Stress-Hormone Response to Critical Care," Research Seminar, University of Texas School of Nursing at Houston, Houston, TX. Speaker.

PRESENTATIONS – Local (cont.)

Hanneman, SK. (August 5, 2009). “Preparing CVs for Promotion and Tenure”, FacE (Faculty Education) Summer Brown Bag session, The University of Texas School of Nursing at Houston, Houston, TX. Speaker.

Hanneman, SK. (November 10, 2009). “Circadian Rhythms in the Intensive Care Unit,” Hosted by the Academy of Science and Technology at the Woodlands College Park High School and the Academy for Science and Health Professions at Conroe High School, the Woodlands College Park High School, The Woodlands, TX. Distinguished Lecturer.

Hanneman, SK. (February 17, 2010). “Mentorship.” The Committee on the Status of Women, University of Texas Health Science Center at Houston. Speaker, Mentor Expert Panel.

Hanneman, SK. (April 8, 2010). “Circadian Adaptation to the ICU,” Houston City-Wide Sleep Medicine Conference, University of Texas Health Science Center at Houston School of Medicine. Speaker.

Hanneman, SK. (April 23, 2010). “NIH Review and Scoring Criteria,” Research Seminar, Center for Nursing Research, School of Nursing, University of Texas Health Science Center at Houston. Speaker.

Kennedy, CE, Turley, JP, **Hanneman SK.** (October 15-16, 2010). “Using waveform analysis as latent features for modeling cardiac arrest in a pediatric ICU,” 20th Anniversary Keck Center Annual Research Conference, The W. M. Keck Center for Interdisciplinary Bioscience Training, Houston. Poster Presentation.

Hanneman SK. (March 4, 2011). “Circadian rhythms in the ICU,” Grand Rounds, Division of Pulmonary, Critical Care and Sleep Medicine, Department of Internal Medicine, University of Texas Health Science Center at Houston Medical School. Speaker.

Hanneman SK. (March 30, 2011). “Circadian rhythms in a porcine adult ICU,” Continuing Education Seminar, Center for Laboratory Animal Medicine and Care, University of Texas Health Science Center. Speaker.

Hanneman SK. (November 17, 2011). “Navigating into a quantitative research study,” Research Boot Camp continuing education series, Michael E. DeBakey Veterans Affairs Medical Center, Houston, TX. Speaker.

Hanneman SK. (March 1, 2012). “Blue-blocking light and morbidity in a porcine ICU model,” Center for Nursing Research Seminar, University of Texas Health Science Center at Houston School of Nursing. Paper Presentation.

Hanneman SK. (April 20, 2012). “Survival and morbidity in a porcine adult ICU model of prolonged mechanical ventilation,” Research Day 2012, University of Texas Health Science Center at Houston School of Nursing. Speaker.

Hanneman SK. (September 6, 2012). “Circadian rhythms in a porcine adult ICU model,” Collaborative Workshop on Circadian Rhythms, University of Texas Health Science Center at Houston Medical School. Speaker.

Blog G, **Hanneman SK**, McCue D. (April 19, 2013). “Partial validation of salivary IL-6 and TNF- α for circadian rhythm research. Research Day 2013, University of Texas Health Science Center at Houston School of Nursing. Podium.

PRESENTATIONS – Local (cont.)

Ballew LL, **Hanneman SK**, Padhye NS. (April 19, 2013). "Measurement of circadian temperature rhythm with the iButton. Research Day 2013, University of Texas Health Science Center at Houston School of Nursing. Poster.

Mabry L, **Hanneman SK**, Whitehead L. (April 19, 2013). "Experimental light at night conditions." Research Day 2013, University of Texas Health Science Center at Houston School of Nursing. Poster.

Hanneman SK. (August 21, 2013). "Circadian rhythms in healthy, pre-clinical, and clinical models." Keynote Address, University of Texas Medical Branch at Galveston, Graduate School of Biomedical Sciences, Online Nursing PhD Program Residency Week. **Invited**.

Awe T, **Hanneman SK**, Padhye NS. (April 25, 2014). "Circadian rhythm of skin temperature with the iButton." Research Day 2014, University of Texas Health Science Center at Houston School of Nursing and Sigma Theta Tau International Zeta Pi Chapter. Poster.

Willson JJ, **Hanneman SK**, Cron S. (April 25, 2014). "Reliability estimates of the Morningness-Eveningness Questionnaire, Epworth Sleepiness Scale, and Richards-Campbell Sleep Questionnaire." Research Day 2014, University of Texas Health Science Center at Houston School of Nursing and Sigma Theta Tau International Zeta Pi Chapter. Poster.

Schultz A, **Hanneman SK**, Cron S. (April 25, 2014). "Comparison of light at night conditions on salivary biomarkers, sleepiness, and sleep quality. Research Day 2014, University of Texas Health Science Center at Houston School of Nursing and Sigma Theta Tau International Zeta Pi Chapter. Podium presentation.

Hanneman SK, Gusick GM, Hamlin SK, Wachtel SG, Cron S, Jones DJ, Oldham SA. (April 25, 2014). "Pilot study of a randomized controlled trial of manual versus automated lateral rotation to reduce preventable pulmonary complications in mechanically ventilated ICU patients. Research Day 2014, University of Texas Health Science Center at Houston School of Nursing and Sigma Theta Tau International Zeta Pi Chapter. Podium presentation.

Hanneman SK (June 24, 2014). "Ms. Manners on dissemination etiquette." Continuing Education Program (Invited speaker). St. Luke's Health – TMC, Houston, TX. Podium presentation.

Hanneman SK, McCue D, & Blog GL. (March 20, 2015). "Partial validation of salivary IL-6 and TNF- α by enzyme immunoassay. UTHealth School of Nursing Research Day, Houston, TX, March 20, 2015, Podium.

Hanneman SK. (March 1, 2016). Psychometric interpretation and improvement of multiple-choice exams. Faculty Development Series on Exam Psychometrics. University of Texas Health Science Center at Houston School of Nursing. **Invited**.

Hanneman SK, Padhye, N. S., Whitehead, L. (April 8, 2016). Effect of light at night on salivary melatonin levels and circadian rhythm. Sigma Theta Tau, Zeta Pi Chapter, and UTHealth School of Nursing Research Day 2016, Podium.

Algamdi MM, **Hanneman SK**. (April 8, 2016). Development and reliability estimate of Arabic version of the Cancer Behavior Inventory-Brief. Sigma Theta Tau, Zeta Pi Chapter, and UTHealth School of Nursing Research Day 2016, Podium.

PRESENTATIONS – Local (cont.)

Robertson L, **Hanneman SK**, Padhye N, Gilder T. (April 8, 2016). Interrater reliability estimates for scoring the Richards-Campbell Sleep Questionnaire. Sigma Theta Tau, Zeta Pi Chapter, and UTHealth School of Nursing Research Day 2016, Poster.

Vakil S, **Hanneman SK**, Kamat S. (June 9, 2017). Performance comparison of two commercially available interleukin-6 immunoassays. Sigma Theta Tau, Zeta Pi Chapter, and UTHealth School of Nursing Research Day 2017, Poster.

De Castro A, **Hanneman SK**, Cron S. (June 9, 2017). Gender differences in skin temperature of the healthy adult. Sigma Theta Tau, Zeta Pi Chapter, and UTHealth School of Nursing Research Day 2017, Poster.

Bradshaw GR, **Hanneman SK**, Kamat S. (June 9, 2017). Development of salivary myeloperoxidase protocol for light at night study. Sigma Theta Tau, Zeta Pi Chapter, and UTHealth School of Nursing Research Day 2017, Poster.

Hanneman SK, Kamat S, Padhye NS, Whitehead L. (June 9, 2017). Effect of light at night on salivary interleukin (IL)-6 levels. Sigma Theta Tau, Zeta Pi Chapter, and UTHealth School of Nursing Research Day 2017, Podium.

Hanneman SK. Pathophysiology (June 27, 2017). Summer Health Professions Education Program, UTHealth, Podium.

Hanneman SK, Kamat SR, Hui D. (April 6, 2018) Inflammatory biomarker response to haloperidol and lorazepam in palliative care patients with agitated delirium: A preliminary study. Sigma Theta Tau, Zeta Pi Chapter, and UTHealth Cizik School of Nursing Research Day 2018 (Podium presentation)

Paez E, **Hanneman SK**. (April 6, 2018). Reliability estimates for the Richards-Campbell Sleep Questionnaire and Epworth Sleepiness Scale. Sigma Theta Tau, Zeta Pi Chapter, and UTHealth Cizik School of Nursing Research Day 2018 (Poster presentation)

Pham N, **Hanneman SK**. (April 6, 2018). Ambient variables in a controlled environment laboratory under experimental light-at-night conditions. Sigma Theta Tau, Zeta Pi Chapter, and UTHealth Cizik School of Nursing Research Day 2018 (Poster presentation)

Drake J, **Hanneman SK**. (April 6, 2018). Critical Care Nurses' Knowledge of Selected Dysrhythmias and Use of Atrial Electrograms in Adult Postoperative Cardiac Surgery Patients. Sigma Theta Tau, Zeta Pi Chapter, and UTHealth Cizik School of Nursing Research Day 2018 (Poster presentation)

Paez E, **Hanneman SK**. (April 18, 2018). Reliability estimates for the Richards-Campbell Sleep Questionnaire and Epworth Sleepiness Scale. 6th Annual Neuro ICU Symposium, UTHealth McGovern Medical School and Memorial Hermann Hospital Mischer Neuroscience Institute, Poster.

Panel Member. (April 19, 2018). Focus on Fellows Forum. UTHealth Cizik School of Nursing.

Hanneman SK. (June 1, 2018). Responding to manuscript reviews. Slice of Scholarship, Faculty Assembly, Cizik School of Nursing.

PRESENTATIONS – Local (cont.)

Hanneman SK. Pathophysiology (June 26, 2018). Summer Health Professions Education Program, UTHealth, Podium.

Hanneman SK. Afternoon Moderator, 8th Annual Research/Evidence-Based Practice Day (October 18, 2019), UTHealth Cizik School of Nursing and Sigma Theta Tau, Zeta Pi chapter.

Hanneman SK. (February 26, 2021). Around-the-clock data collection: Challenges, lessons, and recommendations. Back to Science Symposium, Houston Methodist, Speaker (Invited).

Davidson J JE., Doran, N., Petty, A., Arellano, D., Henneman, E., **Hanneman, SK.**, Schell-Chaple, H., Glann, J., Smith, L., Derry, K., McNicholl, M., Slazinski, T., Ahrens, T., McLean, B., Chechel, L., & Rincon, T. (June 25, 2021). A national survey exposes unintended consequences when applying The Joint Commission titration standards into practice. Nursing Research and Evidence-based Practice Conference, 14th Annual Nursing Inquiry and Innovation Conference, University of California, San Diego, podium and poster.

Hanneman SK. Panel Member. (September 27, 2021). Professionalism. BSN Student Government Organization, Cizik School of Nursing, Houston, Texas.

Kihara E, **Hanneman SK.** (November 3, 2022). Factor Xa-guided Pulmonary Embolism Prevention in Adult Trauma. Scholars' Day, UTHealth Houston Cizik School of Nursing and Sigma Theta Tau International Zeta Pi Chapter, Houston, poster.

Adult Lung Health

Member

1984 – 1986

Foundation for Critical Care

Founder

1986

Board of Directors

1988 – 1992

Bylaws Committee

Chair

1989 – 1991

National Critical Care Awareness Week

Chair

1989 – 1992

Management Committee

Member

1990 – 1991

Nominating Committee

Member

1990 – 1991

Executive Committee

President

1990 – 1992

Past President

1991 – 1992

Humana Hospital Clear Lake

Center for Pulmonary Excellence Advisory Board

Nursing Advisor

1991 – 1994

The University of Texas Medical Branch

Critical Care Training, School of Nursing

Advisory Board

1991 – 1993

Houston Healthcare Network

Steering Committee

1994 – 1995

St. Stephen's Episcopal Middle School

Science Mentor

1993

Texas Medical Center

Committee of Nurse Researchers

Member

1993 – 1996

Scientific Sessions Committee

Chairperson

1993 – 1994

The Howell Nursing Research Grants Program

Review Panel

2003 – 2008

IRB Collaboration Subcommittee

Member

2004

Veterans Affairs Search Committee for Nurse
Researchers

Member

2002

Community Service (cont.)

PARTNERS (Providing Advancement Resources to Nursing Education, Research, and Students)	Member	1996 – present
	Lifetime member	2018 – present
Lecture Series, "The Ups and Downs of Our Biological Clocks," St. Martin's Episcopal Church	Presenter	May 13, 1998
Fall Coffee, "Porcine Ambulatory Temperature Rhythms," Houston, TX	Presenter	Oct. 27, 1999
Videos on School of Nursing	Interviewee	2006, 2007
Clinical Ladder Program, UTMB-Galveston, TX	External Reviewer	Fall, 1999
The University of Texas Health Science Center at Houston Pulmonary/Infectious Diseases and Medical clinics, George R. Brown Convention Center, Hurricane Katrina relief effort	Volunteer Nurse	September 2005
The University of Houston Friends of Women's Studies, 2005-2006 Living Legends Archives Series: Women & Nursing	Panel Member	April 18, 2006
Physician-Patient Alliance for Health & Safety	Advisory Board	2015 – present
Video Clip, "Pulmonary Embolism," Health Media for <i>American Nurse Journal</i>	Interviewee	March 2022
NIH National Cancer Institute, <i>Cancer Currents Blog</i> , For People with Cancer, Are Steroids the Best Treatment for Breathing Problems? Sharon Reynolds, Scientific Writer	Interviewee	Oct. 25, 2022

Courses Taught: Texas Woman's University College of Nursing

Instructor, N5413, Primary Prevention in Medical-Surgical Nursing, Master's Program, 3 credit hours, Fall semester, 1990 (didactic and clinical)

Instructor, N6903, Independent Study on Grant Writing, Doctoral Program, Fall semester, 1990 (didactic)

Instructor, N5433, Secondary and Tertiary Prevention in Medical-Surgical Nursing, Master's Program, 3 credit hours, Spring semester, 1991 (didactic and clinical)

Instructor, N5903, Independent Study on Advanced Medical-Surgical Nursing Practice, Master's Program, 3 credit hours, Spring semester, 1991 (didactic and clinical)

Courses Taught: Texas Woman's University College of Nursing (cont.)

Instructor, N6903, Independent Study on Integration of Theory, Research, and Practice, Doctoral Program, Spring semester, 1991 (didactic)

Instructor, N5023, Nursing Research, Master's Program, 3 credit hours, Fall, Spring, Summer semesters, 1991, 1992 (didactic)

Instructor, N6553, Formulation of Hypotheses in Nursing, Doctoral Program, 3 credit hours, Summer semester, 1991, 1992, 1993, 1994, 1995, 1996 (didactic)

Instructor, N6973, Dissertation Seminar, Doctoral Program, 3 credit hours, Fall semester, 1991 (didactic)

Instructor, N6913, Independent Study on Concept Linkages in Research, Doctoral Program, 3 credit hours, Fall semester, 1992 (didactic)

Instructor, N6413, Foundations of Nursing Research, Doctoral Program, 3 credit hours, Spring semester, 1992, 1993, 1994, 1995, 1996 (didactic)

Instructor, N6563, Clinical Research Practicum, Doctoral Program, 3 credit hours, Fall semester, 1992, 1993, 1994, 1995 (didactic)

Guest Lecturer, N4106 (BSN synthesis course), N5023 (MSN research), and N6973 (PhD dissertation seminar), Fall semester, 1994 (didactic)

Instructor, N6913, Individual Study ("Phenomenological Research Methods"), Renae Schumann, Doctoral Program, 3 credit hours, Fall semester, 1994 (didactic)

Instructor, N6913, Individual Study ("The Experience of Being Mechanically Ventilated"), Renae Schumann, Doctoral Program, 3 credit hours, Spring semester, 1994 (didactic)

Instructor, N6913 Independent Study ("Mechanical and Kinetic Environmental Analysis"), Annabelle Borrromeo, Doctoral Program, 3 credit hours, Summer semester, 1994 (didactic)

Instructor, N6913 Independent Study ("Psychometric Properties of the Weaning Self-Efficacy Scale"), Kathryn Spiegel, Doctoral Program, 3 credit hours, Summer semester, 1994 (didactic)

Instructor, N6913 Independent Study ("A Descriptive Pilot Study in the Experience of Suffering"), Leta Truett, Doctoral Program, 3 credit hours, Fall and Spring semesters, 1995 (didactic)

Guest Lecturer, "High Tech-High Touch: Issues and Ethics," N4333, Baccalaureate Program, Fall semester, 1995 (didactic)

Courses Taught: Texas Woman's University College of Nursing (cont.)

Guest Lecturer, "Research in Nursing," Master's Program, Women's Health Care Nurse Practitioner Program, Fall semester, 1995 (didactic)

Co-Instructor, N6913, Application of Theory to Nursing Research, Doctoral Program, 3 credit hours, Spring semester, 1995 (didactic)

Instructor, N6913, Independent Study ("Training Grant for Congregational Advanced Nurse Practitioners"), Renae Schumann, Doctoral Program, 3 credit hours, Spring semester, 1995 (didactic)

Instructor, N6913 Independent Study ("Instrument Development: Theory and Application"), Heather Kopecky, Doctoral Program, 3 credit hours, Summer semester, 1995 (didactic)

Instructor, N6913 Independent Study ("Measurement of Tissue Oxygenation"), Jill Jesurum, Doctoral Program, 3 credit hours, Fall semester, 1996 (didactic)

Instructor, N6913 Independent Study ("Evaluation of an Instrument to Measure King's Elements of Transaction"), Mary L. Brown, Doctoral Program, 3 credit hours, Summer semester, 1996 (didactic)

Instructor, N6913, Independent Study ("Grant writing: Effects of Morphine on Tissue Oxygenation Following Lateral Rotation"), Jill Jesurum, Doctoral Program, 3 credit hours, Spring semester, 1996 (didactic)

Research Preceptor, N4106, Rebecca Mukadam, Fall semester, 1997 (clinical)

Guest Lecturer, Doctoral Program, "Mining large data sets to enhance nursing science," Summer semester, 2000 (didactic)

Instructor, N7700, Independent Study, "Grant-writing," Dorothy Kite-Powell, PhD student, 3 credit hours, Spring semester, 2004 (didactic)

Courses Taught: University of Texas Health Science Center, Cizik School of Nursing

Instructor, N7700, Independent Study, "Writing for Publication: A Model of Chronic Dyspnea," Cynthia McCarley, Doctoral Program, 3 credit hours, Fall semester, 1996 (didactic)

Guest Lecturer, Acute Care Nurse Practitioner Program, "Weaning from Mechanical Ventilation," Summer semester, 1997, 1998, 1999, 2000 (didactic)

Instructor, N7700, Independent Study ("Grant Writing"), Cynthia McCarley, Doctoral Program, 3 credit hours, Summer semester, 1998 (didactic)

Courses Taught: University of Texas Health Science Center at Houston, School of Nursing (cont.)

Co-instructor, N7541/N7541D, Application of Measurement Theory to Biomedical and Health Science Research (formerly Design of Measurements for Intervention Studies), PhD Program, 3 credit hours, Fall semester, 1997, 1998, 1999, 2000; Lead instructor, 2001, 2002, 2003, 2004, 2005, 2009, 2010, 2011, Summer semester, 2011, 2017, 2021; Sole instructor, 2006 – 2008, 2012 – 2016, 2018 – 2020 (Internet video to various distance sites, 2002 – present; online 2020) (didactic)

Guest Lecturer, N7551, Multidisciplinary Practice, "Collaborative Multidisciplinary Research Teams," PhD Program, Fall semester, 1999, 2000, 2001, 2002 (didactic)

Guest Lecturer, N7552, Innovations in Practice, "Developing a Program of Research," PhD Program, Spring semester, 1999, 2000, 2001, 2002, 2003 (didactic)

Instructor, N4499, Independent Study, "Mechanical Ventilation and Weaning," Edna E. Marruffo, BSN Program, 2 credit hours, Summer semester, 2000 (didactic and clinical)

Instructor, N4499, Independent Study, "Hemodynamic Monitoring during Mechanical Ventilation and Weaning," Lisa M. Palacios, BSN Program, 2 credit hours, Summer semester, 2000 (didactic and clinical)

Instructor, N7600, Dissertation, "Temporal Patterns of Dyspnea, Fatigue, and Pulmonary Expiratory Flow Rate in Patients with COPD," Cynthia A. McCarley, 3 – 6 credit hours, Spring, Summer, and Fall semesters, 2000, 2001, 2002, 2003 (didactic)

Instructor, N7700, Independent Study: "Writing for Professional Publication," Bonita Strout, PhD Program, 3 credit hours, Summer semester, 2001 (didactic)

Instructor N5522, Independent Study: Prospectus for Thesis, Gregory Poulin, 2 credit hours, Fall semester, 2002 (didactic)

Instructor N5500, Thesis, "Comparison of Continuous and Intermittent Arterial Blood Gas Monitoring in Swine," Gregory Poulin, 2 credit hours, Summer semester, 2001, Fall and Spring semesters, 2002 (didactic)

Guest Lecturer, N4512, Research Critique and Utilization, "Principles of Measurement," BSN Program, 2 credit hours, Fall semester, 2003 (didactic)

Instructor, N4499, Independent Study, "Activity Monitoring in Ambulatory Women," Gabriella Torrence, BSN Honors Program, 1 credit hour, Spring and Summer semesters, 2003; Fall and Spring semesters, 2004 (didactic)

Instructor, N7700, Independent Study, "Sepsis Research Synthesis," Shannan Hamlin, PhD student, 3 credit hours, Spring semester, 2004 (didactic)

Courses Taught: University of Texas Health Science Center at Houston, School of Nursing (cont.)

Guest Lecturer, N6753, Clinical Research Study Coordination Preceptorship, Clinical Research Management track, MSN Program, "Research Funding Issues," Spring semester, 2004, 2005 (didactic)

Instructor, N4499, Independent Study, "Ambient Characteristics of Laboratory and Home Settings," Jennifer Leland, BSN Honors Program, 1 credit hour, Summer semester, 2004; Fall and Spring semesters, 2005 (didactic)

Instructor, N7700, Independent Study, "Grant-Writing," Shannan Hamlin, PhD Program, 4 credit hrs, Fall semester, 2005 (didactic)

Instructor, N7700, Independent Study, "Scientific Writing," Sheryln Gilman, PhD Program, 3 credit hrs, Fall semester, 2005 (didactic)

Instructor, 7600, Dissertation, Shannan K. Hamlin, PhD Program, 3 – 6 credit hours, Spring, Summer and Fall semesters, 2005 – Spring, 2010 (didactic)

Course Coordinator, N7506, Advanced Statistics for Clinical Research II, PhD Program, 4 credit hours, Summer semester, 2005 (didactic)

Instructor, N7700, Independent Study, "Pulmonary Anatomy and Physiology," Sheryln Gilman, PhD Program, 3 credit hours, Summer semester, 2005 (didactic)

Instructor, N4499, Independent Study, "Serum and Salivary Measurements of Cortisol and Melatonin," Kortney Green, BSN Honors Program, 1 credit hour, Fall semester, 2005, Spring semester, 2006 (didactic)

Instructor, N7700, Independent Study, "Scientific Writing," Mary Anne Vincent, PhD Program, 3 credit hours, Fall semester, 2005 (didactic)

Instructor, N7700, Independent Study, "Proposal Development," Sheryln Gilman, PhD Program, 1 credit hour, Spring semester, 2006 (didactic)

Instructor, N7700, Independent Study, "Grant Writing," Mary Anne Vincent, PhD Program, 3 credit hours, Summer semester, 2006 (didactic)

Instructor, N4499, Independent Study, "Research for Critical Care Nursing Practice," Dan Covan, BSN Honors Program, UT School of Nursing at Houston, 1 credit hour, Fall semester, 2006 (didactic)

Instructor, N7700, "Proposal Development," Mary Anne Vincent, PhD Program, 1 credit hour, Spring semester, 2007 (didactic)

Instructor, N7700, Independent Study, “Reliable Time-series Data Acquisition,” SherylN Gilman, PhD Program, 3 credit hours, Spring semester, 2007 (didactic)

Instructor, N7700, Independent Study, “Scientific Writing,” Katrina Leyden, PhD Program, 3 credit hours, Fall semester, 2007 (didactic)

Instructor, N7700, Independent Study, “Scientific Writing,” Kristina Leyden, PhD Program, 3 credit hours, Fall semester, 2007 (didactic)

Instructor, N7700, Independent Study, “Circadian Rhythms of Ambient Light,” Michelle Merriweather, BSN Honors Program student, 1 credit hour, Fall semester, 2007 and Spring semester, 2008

Instructor, N7700, Independent Study, “Critique of the Literature,” SherylN Gilman Wachtel, PhD Program, 1 credit hour, Fall semester, 2007 (didactic)

Instructor, N7700, Independent Study, “Pilot Research,” Mary Anne Vincent, PhD Program, 5 credit hours, Fall semester, 2008 (didactic)

Instructor, 7600, Dissertation, SherylN Gilman Wachtel, PhD Program, 5 credit hours, Fall semester, 2008 – 2014 (didactic)

Instructor, N4499, Independent Study, “Optimal Lighting for a Pre-clinical Critical Care Laboratory (PCCL),” Brenda Merkelz, BSN Honors Program student, 1 credit hour, Fall semester, 2008 and Spring semester, 2009 (didactic)

Instructor, N7600, Dissertation, Mary Anne Vincent, PhD Program, 3 – 9 credit hours, Spring semester, 2009 – Spring semester, 2011 (didactic)

Instructor, N7700, Independent Study, “Instrument Development,” Geline Tamayo, PhD Program, 3 credit hours, Spring semester, 2009 (didactic)

Instructor, N7700, Independent Study, “Proposal Development,” Katrina Leyden, PhD Program, 1 credit hour, Spring semester, 2009 (didactic)

Instructor, N7700, Independent Study, “Proposal Development,” Kristina Leyden, PhD Program, 1 credit hour, Spring semester, 2009 (didactic)

Instructor, N7700, Independent Study, “Scientific Writing: Validity of the Modified RASS for Use in Sedated, Mechanically Ventilated Swine,” Katrina Leyden, PhD Program, 3 credit hours, Spring semester, 2010 (didactic)

Instructor, N7700, Independent Study, “Scientific Writing: Actigraphy in Patients with COPD,” Kristina Leyden, PhD Program, 3 credit hours, Spring semester, 2010 (didactic)

Courses Taught: University of Texas Health Science Center at Houston, School of Nursing (cont.)

Instructor, N7700, Independent Study, "Advances in Chronobiology," Kristina Leyden, PhD Program, 2 credit hours, Summer semester, 2010 (didactic)

Instructor, N7700, Independent Study, "Advances in Chronobiology," Katrina Leyden, PhD Program, 1 credit hours, Summer semester, 2010 (didactic)

Instructor, N4499, Independent Study, "Research-based Clinical Care Protocol Development and Testing for the PCCL," Abigail Brown, BSN Honors Program student, 1 credit hour, Summer and Fall semesters, 2010 (didactic)

Instructor, N4499, Independent Study, "Effect of lateral rotation on blood pressure, heart rate, oxygen saturation, and respiratory/ventilator parameters in a porcine ICU," Elaine Chow, BSN Honors Program student, 1 credit hour, Fall semester, 2010 (didactic)

Instructor, N4499, Independent Study, "Reliability testing of the Modified Richmond Agitation Sedation Scale in sedated, mechanically ventilated swine," Kimberly Hunter, BSN Honors Program student, 1 credit hour, Fall semester, 2010 and Spring semester, 2011 (didactic)

Instructor, N7700, Independent Study, "Scholarly writing and logic," Kristina Leyden, PhD Program, 3 credit hours, Fall semester, 2010 (didactic)

Instructor, N7700, Independent Study, "Research II: Measurement," Dania Ochoa, PhD Program, 3 credit hours, Fall semester, 2010 (didactic)

Instructor, N7600, Dissertation, Katrina N. Leyden, PhD Program, 3-6 credit hours, Summer, Fall and Spring Semesters, 2010 - 2013 (didactic)

Instructor, N7600, Dissertation, Kristina L. Leyden, PhD Program, 3 credit hours, Summer, Fall, and Spring semesters 2011 – 2015 (didactic)

Co-instructor, N6105, Evaluation and Application of Research in Advanced Nursing Practice, MSN Program, 3 credit hours, Fall semester, 2011 (didactic)

Instructor, N7700, Independent Study, "Dissertation Proposal Development," Yupha Wongrostrai, PhD student at Chiang Mai University in Thailand, 3 credit hours, Fall and Spring semesters, 2011 – 2012 (didactic)

Instructor, N4499, Independent Study, "Coding Adverse Events," Prashant Bhagat, BSN Honors Program student, 1 credit hour, Fall and Spring semesters, 2011

Courses Taught: University of Texas Health Science Center at Houston, School of Nursing (cont.)

Guest lectures, DNP Advanced Seminar I, DNP program: Authorship, Grant Writing, and Critiquing Reports, Fall and Spring semesters, 2011 – present

Course Coordinator N3517 and N3517W (online 2012 - 2016) and Lead Instructor, N3517, Pathophysiology, BSN Program, 3 credit hours, Spring, Summer, and Fall semesters, 2012 - present (didactic)

Lead instructor, N6805, Emerging Science for Clinical Practice, DNP Program, 3 credit hours, Spring semester 2012 (didactic)

Instructor, N4499, Independent Study, “Implications of Light Wavelength in the ICU,” Megan Oggero, BSN Honors Program student, 1 credit hour, Spring and Summer semesters, 2012

Instructor, N4499, Independent Study, “Measurement of circadian temperature rhythm with the iButton,” Laura Svensson Ballew, BSN Honors Program student, 1 credit hour, Fall 2012 and 2 credit hours, Spring 2013 semesters

Instructor, N4499, Independent Study, “Partial validation of salivary IL-6 and TNF- α for circadian rhythm research,” Gabriel Blog, BSN Honors Program student, 1 credit hour, Fall 2012 and 2 credit hours, Spring 2013 semesters; University of Texas Health Science Center at Houston Interfaculty Council Thomas F. Burks Scholarship recipient, 2012.

Instructor, N4499, Independent Study, “Testing experimental light-at-night conditions,” Lee Mabry, BSN Honors Program student, 1 credit hour, Fall 2012 and 2 credit hours, Spring 2013 semesters

Instructor, N4499, Independent Study, “Effects of light-at-night on circadian rhythms of body skin temperature,” Daniel Kerr, BSN Honors Program student, 2 credit hours Spring 2013 and 1 credit hour Summer 2013 semesters.

Instructor, N4499, Independent Study, “Changes in alertness and sleep quality scores based on light at night conditions,” Danielle Wilkins, BSN Honors Program student, 2 credit hours Spring 2013 and 1 credit hour Summer 2013 semesters.

Instructor, N7700, Independent Study, “Proposal Development,” Veronica Brady, PhD student, 1 credit hour, Spring 2013

Instructor, N7700, Independent Study, “Proposal Development,” Daniel Arellano, PhD student, 3 credit hours, Spring 2013

Instructor, N7700, Independent Study, “Writing for Publication,” Daniel Arellano, PhD student, 3 credit hours, Spring 2013

Courses Taught: University of Texas Health Science Center at Houston, School of Nursing (cont.)

Instructor, N4499, Independent Study, "Effects of light-at-night on circadian rhythms of salivary cortisol, melatonin, immune markers, and oxidative stress," Amy Aaronson, BSN Honors Program student, 1 credit hour, Summer 2013 and 2 credit hours, Fall 2013 semesters

Instructor, N4499, Independent Study, "Circadian rhythms in skin temperature," Temitope Awe, BSN Honors Program student, 1 credit hour, Fall 2013 and Spring 2014 semesters

Courses Taught: University of Texas Health Science Center at Houston, Cizik School of Nursing (cont.)

Instructor, N4499, Independent Study, "Psychometric Assessment of the Epworth Sleepiness Scale and the Richards-Campbell Sleep Questionnaire," Johnath J. Willson, BSN Honors Program student, 1 credit hour, Fall 2013 and Spring 2014 semesters

Instructor, N4499, Independent Study, "Recruitment strategies and databases for light-at-night comparison project," Adina Schultz, BSN Honors Program student, 1 credit hour, Fall 2013 and Spring 2014 semesters

Instructor, N7700, Independent Study, "Translation of the Cancer Behavior Inventory – Brief into Arabic," Maaidah Algamdi, PhD student, 3 credit hours, Spring 2014 semester

Instructor, N7700, Independent Study, "Psychometric testing of the Cancer Behavior Inventory – Brief Arabic version," Maaidah Algamdi, PhD student, 3 credit hours, Summer 2014 semester

Instructor, N4499, Independent Study, "Comparison of light-at-night conditions in a controlled laboratory," Marlana Jez-Gizeba, BSN Honors Program student, 1 credit hour, Spring and Summer 2014 semesters

Instructor, N4499, Independent Study, "Enzyme immunoassay and multiplex assay comparison," Stefanie Pieper, BSN Honors Program student, 1 credit hour, Summer and Fall 2014 semesters

Instructor, N4499, Independent Study, "Measurement of ambient conditions," Emily Nguyen, BSN Honors Program student, 1 credit hour, Summer and Fall 2014 semesters

Instructor, N7600, Dissertation, Daniel Arellano, PhD Program, 1 – 6 credit hours, Summer 2014 – December 2019

Instructor, N7600, Dissertation, Maaidah Algamdi, PhD student, Doctoral Program, 3-9 credit hours, Fall Semester, 2014 – May 2015

Instructor, N4499, Independent Study, "Light at night effects on salivary biomarkers and circadian temperature rhythm," Christina Kuba, BSN Honors Program student, 1 credit hour, Spring 2015.

Courses Taught: University of Texas Health Science Center at Houston, Cizik School of Nursing (cont.)

Instructor, N4499, Independent Study, "Skin temperature circadian rhythm," Tauna Gilder, RN-BSN student, BSN Honors Program, 1 credit hour, Summer and Fall semesters, 2015.

Instructor, N4499, Independent Study, "Patient ventilator asynchrony profiles," Gracie Reed, RN-BSN student, BSN Honors Program, 1 credit hour, Summer 2015.

Instructor, N4499, Independent Study, "Reliability estimates of the Richards-Campbell Sleep Questionnaire," Lauren Robertson, BSN Honors Program student, 1 credit hour, Fall 2015 and Spring 2016 semesters.

Instructor, N7600, Dissertation, June Trammel, PhD student, 3 credit hours, Fall 2015 – present

Instructor, N4499, Independent Study, "Performance comparison of two commercially available interleukin-6 immunoassays," Samee Vakil, BSN Honors Program student, 1 credit hour, Summer and Fall 2016 and Spring 2017 semesters

Instructor, N4499, Independent Study, "Skin circadian temperature rhythm in adult healthy volunteers," Lauren Smith, BSN Honors Program student, 1 credit hour, Summer and Fall 2016 semesters

Instructor, N7700, Independent Study, "Writing for Publication," Jeanette Drake, PhD student, 3 credit hours, Summer 2016.

Instructor, N7521, Biobehavioral Interactions in Research, PhD in Nursing program, 3 credit hours, Fall 2016 – present

Instructor, N4499, Immune Biomarkers, BSN program elective, 3 credit hours, Fall 2016

Instructor, N4499, Supplemental Pathophysiology, BSN program, 1 credit hour, Fall 2016

Instructor, N4499, Independent Study, "Relation of Epworth Sleepiness Scale scores to salivary biomarkers," Nicole Vertallice, BSN Honors Program student, 1 credit hour, Fall 2016 semester.

Instructor, N4499, Independent Study, "Relation of Richards-Campbell Sleep Questionnaire scores to salivary biomarkers," Anjali Sethi, BSN Honors Program student, 1 credit hour, Fall 2016 semester.

Instructor, N4499, Independent Study, "Gender differences in skin temperature of the healthy adult," Alexander de Castro, BSN Honors Program student, 1 credit hour, Spring and Summer 2017 semesters.

Courses Taught: University of Texas Health Science Center at Houston, Cizik School of Nursing (cont.)

Instructor, N4499, Independent Study, "Salivary myeloperoxidase response to ICU light at night conditions," George Bradshaw, BSN Honors Program student, 1 credit hour, Spring, Summer, and Fall 2017 semesters.

Instructor, N4499, Independent Study, "Ambient Light, Temperature, and Humidity Circadian Rhythms," Nancy Pham, BSN Honors Program student, 1 credit hour, Summer and Fall 2017 and Spring 2018 semesters.

Instructor, N7600, Dissertation, Daniel S. DeGarmo, PhD student, 2 credit hours, Fall 2016 and Spring 2017 semesters.

Instructor, N4499, Independent Study, "Research Data Management and Analysis," Emily Paez, BSN Honors Program student, 1 credit hour, Fall 2017, Spring 2018, and Summer 2018 semesters.

Instructor, N4499, Independent Study, "Biomarker response to dexamethasone in patients with advanced cancer," Teresa Harris, BSN Honors Program student, 1 credit hour, Spring 2018, Summer 2018, and Fall 2018 semesters.

Instructor, N4499, Independent Study, "Biomarker prediction of agitated delirium in palliative care patients with advanced cancer," Hunter Montgomery, BSN Honors Program student, 1 credit hour, Spring 2018, Summer 2018, and Fall 2018 semesters.

Instructor, N4499, Independent Study, "Salivary myeloperoxidase levels under varying light-at-night conditions," Rachel Reid, BSN Honors Program student, 1 credit hour, Spring 2018, Summer 2018, and Fall 2018 semesters.

Instructor, N4499, Independent Study, "Salivary cortisol in doctoral students," Amanda Coonce, BSN Honors Program student, 1 credit hour, Summer 2018, Fall 2018, and Spring 2019 semesters.

Instructor, N4499, Independent Study, "Gender differences in skin temperature," Jordan Sigmon, BSN Honors Program student, 1 credit hour, Summer 2018, Fall 2018, and Spring 2019 semesters.

Instructor, N7700, Independent Study, "Instrument development and testing," Jeanette Drake, PhD student, 3 credit hours, Summer 2018.

Instructor, N4499, Independent Study, "Salivary cortisol laboratory," Pauline Tolentino, BSN Honors Program student, 1 credit hour, Fall 2018, Spring and Summer 2019 semesters.

Instructor, N4499, Independent Study, "Inflammatory Marker Laboratory Logs," Pankti Patel, BSN Honors Program student, 1 credit hour, Fall 2018, Spring and Summer 2019 semesters.

Courses Taught: University of Texas Health Science Center at Houston, Cizik School of Nursing (cont.)

Instructor, N7600, Dissertation, Jeanette Drake, PhD Program, 3 - 5 credit hours, Spring 2019 – Summer 2020 semesters

Instructor, N7700, Independent Study, “Pulmonary Vascular Anatomy and Biology of Lung Tissue from Human Infants and Murine Subjects with Congenital Diaphragmatic Hernia (CDH),” Jamie L. Gilley, PhD student, 3 credit hours, Spring, Summer, and Fall 2020 semesters.

Instructor, N4499, Independent Study, “Inflammatory Marker Laboratory Logs, NIH Dyspnea study,” Katherine Bauersfeld Carranza, BSN Honors Program student, 1 credit hour, Spring, Summer, and Fall 2020 semesters.

Instructor, N4499, Independent Study, “Inflammatory Marker Laboratory Logs, NIH Delirium study,” Juan Miguel Zapanta, BSN Honors Program student, 1 credit hour, Spring, Summer, and Fall 2020 semesters.

Instructor, N4499, Independent Study, “Biomarker Prediction of Agitated Delirium in Patients with Advanced Cancer,” Robin Guidry, BSN Honors Program student, 1 credit hour, Fall 2020 and Spring and Summer 2021 semesters.

Instructor, N4499, Independent Study, “Biomarker Response to Dexamethasone to Alleviate Dyspnea in Patients with Advanced Cancer,” Madison Ellis, BSN Honors Program student, 1 credit hour, Fall 2020 and Spring and Summer 2021 semesters.

Instructor, N7700, Independent Study, “Cellular Biology,” Jamie Gilley, PhD student, 3 credit hours, Spring 2021 semester.

Instructor, N7700, Independent Study, “Murine Research Methodology,” Jamie Gilley, PhD student, 3 credit hours, Summer 2021 semester.

Instructor, N7700, Independent Study, “NIH Research Design Elective,” Amanda Holmes, PhD student, 3 credit hours, Summer 2021 semester.

Instructor, N7700, Independent Study, “Scientific Writing,” Amanda Holmes, PhD student, 3 credit hours, Summer 2021 semester.

Instructor, N4499, Independent Study, “Biomarker Prediction of Agitated Delirium in Patients with Advanced Cancer in an Acute Palliative Care Unit,” Allen Huang, BSN Honors Program student, 1 credit hour, Fall 2021 and Spring and Summer 2022 semesters.

Instructor, N7700, Independent Study, “Physical and Perceptual Properties of Light,” Amanda Holmes, PhD student, 3 credit hours, Fall 2021 semester.

Courses Taught: University of Texas Health Science Center at Houston, Cizik School of Nursing (cont.)

Instructor, N7600, Dissertation, Jamie Gilley, PhD Program, 6 credit hours, Fall 2021; 3 credit hours, Spring and Summer 2022.

Instructor, N7552B, Research Planning and Implementation, Jamie Gilley, PhD Program, 1 credit hour, Fall 2021.

Instructor, N7700, Independent Study, "Coagulopathy during Neonatal ECMO," Amanda Holmes, PhD student, 3 credit hours, Spring 2022.

Instructor, N7700, Independent Study, "Ex Vivo Neonatal ECMO Laboratory," Amanda Holmes, PhD student, 3 credit hours, Summer 2022.

Instructor, N7700, Independent Study, "Research Ethics," Jamie Gilley, PhD student, 1 credit hour, Summer 2022

Instructor, N7555, Research Practicum, "Retrospective descriptive study of pulmonary embolism prevalence and risk factors in adult trauma inpatients," Evaline Kihara, PhD Student, 3 credit hours. Fall 2022

Instructor, N4499, Independent Study, "Biomarker Prediction of Agitated Delirium in Patients with Advanced Cancer," Mari Spurgers, BSN Honors Program student, 1 credit hour, Fall 2022 and Spring and Summer 2023 semesters.

Instructor, N4499, Independent Study, "Salivary cortisol biometrics," Rowbin Hickman, BSN Honors Program student, 1 credit hour, Fall 2022 and Spring and Summer 2023 semesters.

Guest lecture, Faculty Scholarship, N6136, Post-graduate Program in Nursing Education, Cizik School of Nursing, Department of Graduate Studies, Fall 2022

Instructor, N7700, Independent Study, "Scholarly Writing," Amanda Holmes, PhD student, 3 credit hours, Spring 2023 semester.

Instructor, N7550-B, Research Proposal Development, Amanda Holmes, PhD student, 1 credit hour, Spring 2023 semester.

Instructor, N4499, Independent Study, "Salivary Stress Biomarkers in Healthy Adults," Claudia Mendez, BSN Honors Program student, 1 credit hour, Spring, Summer, and Fall 2023 semesters.

University of Texas Health Science Center-Houston

Guest Lecturer, “Mock IRB Session,” Ethical Aspects of Clinical Research, Clinical Research Curriculum, MS Program and Post-doctoral Program, School of Medicine, Spring semester, 2005 (didactic)

Guest Lecturer, “Informed Consent: Legal vs. Ethical Issues,” Navigating the Regulatory Highway: Clinical Research and Regulatory Practice, Clinical and Translational Science Curriculum, Center for Clinical and Translational Sciences, Fall semester, 2007 (didactic)

Guest Lecturer, “Medical Errors and the Role of Health Information Technology in Reducing Errors,” HI 6001, Health Information Technology for Patient Safety and Quality, School of Health Information Science (now School of Biomedical Informatics), Spring semester, 2009 (didactic)

Faculty. Summer Health Professions Education Program, Summer semester, 2017- 2018.

Project/Thesis/Dissertation Advisees

Baccalaureate of Science in Nursing Honors Program Projects

University of Texas Health Science Center at Houston School of Nursing, Gabriella Torrence , “Activity Monitoring in Ambulatory Women,” BSN, May 2004, Research Mentor
