Steps to Secure access to UTHealth Information Resources

School of Nursing

1. Print and complete both forms (the Network Access Verification Notary Form and the Information Resources User Acknowledgement Form).

2. Go to a notary public and sign them in the presence of the notary public. (NOTE: Your personal bank may perform notary public services free of charge.).

3. Mail the original forms to one of the following addresses:

   UTHealth
   School of Nursing
   ATTN: Maria Hernandez
   6901 Bertner Avenue
   SONSCE 846
   Houston, Texas 77030

4. No copies or faxes are allowed.

5. If you have not received a notification after 3 weeks, locate your school’s point of contact in the table above and call or email the contact listed.

6. Your UT user ID and password will give you access to all or most needed computing resources. Once your account is active, you can call the UTHealth Help Desk at 713-486-4848 if you experience problems.

A Network Account, which is comprised of a User ID, password and email address, allows users to login to necessary UTHealth resources. I request a digital identity credential (a.k.a. Network Account) issued by The University of Texas Health Science Center at Houston (UTHhealth) in order to access non-public, UTHealth information resources.

In accordance with the requirements for access to non-public information resources, I have read the Information Resources Security Manual and signed the Information Resources Security Acknowledgement Form in the presence of a Notary. I have also presented the Notary one of the following valid, current primary Government Picture ID that contains my picture:

<table>
