All inquiries will be held strictly confidential.

Cizik School of Nursing at UTHealth, part of Texas' most comprehensive health university, offers an enriching clinical and academic environment.

Why choose Cizik School of Nursing at UTHealth?

- Opportunity to lead and grow operations and learning opportunities at nurse-led clinics
- Outstanding interprofessional collaboration within the Texas Medical Center
- Ranked by Forbes as one of America's Best Employers in Texas

Equal Opportunity Employer/Disability/Veteran

As our Chief Clinical Officer, this leader will be responsible for building clinical business infrastructure, supporting faculty practice contracts, and creating revenue-generating programs for UT Health Services, including employee health, occupational health, and primary care clinics.

Requirements include:

- Doctoral degree (MSN if doctorate not in nursing)
- Eligibility for rank of Associate Professor or Professor
- Three years of experience in a formal leadership role in employee health, occupational health, or clinical operations
- Proven expertise in academic clinical operations
- National certification as a nurse practitioner with current Texas APRN license
