

Cizik Endowed Distinguished Chair in RESEARCH

Cizik
School of Nursing

Equal Opportunity Employer/Disability/Veteran

As part of the most comprehensive health university in Texas, Cizik School of Nursing offers an enriching environment for impactful research.

Why choose Cizik School of Nursing at UTHealth?

- UTHealth has over \$256 million in annual research expenditures
- Ranked as one of America's Best Employers in Texas according to Forbes
- Endowed Cizik Research Institute
- Top-ranked nursing school committed to innovative clinical and population research
- Outstanding interprofessional collaborations within the Texas Medical Center

Endowed chairs are the most prestigious academic positions at UTHealth and carry with them additional resources to further a well-developed program of research. We are seeking a senior scientist ready to elevate their funded, multidisciplinary research efforts.

Requirements include:

- Doctorate in nursing or equivalent field
- Associate or Full Professor who meets the standards for tenured appointment
- Strong record of externally funded research; substantial NIH funding preferred
- Experience in a senior leadership role preferred
