

Graduate Department Faculty: Family Nurse Practitioner

Equal Opportunity Employer/Disability/Veteran

Cizik School of Nursing at UTHealth, part of Texas' most comprehensive health university, offers an enriching clinical and academic environment.

Why choose Cizik School of Nursing at UTHealth?

- Opportunity to be part of a highly rated graduate program preparing the next generation of family nurse practitioners to care for patients across the lifespan
- Outstanding interprofessional collaboration within the Texas Medical Center
- Ranked by Forbes as one of America's Best Employers in Texas

Clinical track faculty members are responsible for teaching and maintaining a relevant area of scholarship as well as clinical supervision of students. They may also provide direct patient care activities.

Requirements include:

- Doctoral degree in nursing
- Nationally certified FNP
- At least two years of clinical practice experience as a FNP
- Nurse educator or academic experience preferred
- Eligibility for Texas RN and APRN licensure
