2023-2024 RN-BSN Resident Cost Estimate

This estimate is based on the three semester, fall-start enrollment option.

This document provides the estimated costs and expenses for the length of the program for a student enrolled in the three-semester/traditional option. Tuition and fees are charges you can expect to see on your semester bill. The direct and indirect expenses create an overall cost of attendance budget which is used to determine the amount of financial aid needed to attend UTHealth. Federal regulations do not allow for students to receive funds over the cost of attendance.
