

Doctor of Nursing Practice Program

Adult/Gerontology Primary Care Nurse Practitioner Post-Graduate Completion Sample Curriculum

Advance Practice Core Curriculum

The core curriculum courses listed below are required for all nurse practitioner tracks. Students who are not currently advance practice registered nurses (APRNs) nurses complete these courses before advancing to the population-specific curriculum for the Adult/Gerontology Acute Primary Care Nurse Practitioner (AGPCNP) track. Students who are currently APRNs may obtain equivalency credit for previously completed core courses based on an internal gap analysis.

| Course No | Required Courses | Credit Hours |
|-------------------|--|--------------|
| Semester 1 | | |
| N6901W | Advanced Pharmacology | 3 |
| N6809W | Advanced Practice Role in Population Health (Will substitute N6305 for N6809) | 3 |
| Semester 2 | | |
| N6810W | Adv. Physical Exam/Differential Diagnosis (Will substitute N7307) | 2 |
| N6810B | Adv. Physical Exam/Differential Diagnosis Lab (Will substitute N7307) | 1 |
| N6811W | Diagnostic Tests and Procedures (Will substitute N7306) | 2 |
| Semester 3 | | |
| N6804W | Advanced Pathophysiology | 3 |

AGPCNP Curriculum

The courses listed below may be taken after students have completed the courses listed above or have been granted equivalency credit for the core curriculum courses based on an internal gap analysis of previous coursework.

| Course No | Required Courses | Credit Hours |
|------------------------|--|--------------|
| Semester 1 or 4 | | |
| N6904W | Adult/Gerontology Primary Care Nurse Practitioner I for DNP | 3 |
