# 2021-2022 Pacesetter BSN Resident Cost Estimate

This document provides the estimated costs and expenses for the length of the program. Tuition and fees are charges you can expect to see on your semester bill. The direct and indirect expenses create an overall cost of attendance budget which is used to determine the amount of financial aid needed to attend UTHealth. Federal regulations do not allow for students to receive funds over the cost of attendance.

This estimate is based on the full-time, fall-start enrollment option.

Note: These fees are estimates based on the 2021-2022 tuition and fee schedule, and may vary depending on credit load and courses taken. The major medical insurance fee can be waived if the student shows evidence of continuing coverage under another approved plan by the 4th class day. The University of Texas Health Science Center at Houston (UTHealth) reserves the right to make revisions in curriculum and requirements of all programs. Tuition and fees are subject to change according to the Texas Legislature, UT System Board of Regents, and/or the University.
