Are you a U.S.-born 16-21 young adult and have a Latino Immigrant parent from Mexico, Central America or South America?

Then you and your parent may be eligible to participate in a research study called “Creencias de Salud” (Health Beliefs).

You and your parent will fill out a survey either in English or Spanish.

After completing the survey, you and your parent will each receive a $25 Walmart gift card.

To see if you are eligible, contact Sam
